High Pass-Rate PRINCE2 - P3O-Foundation Reliable Real Test

In the process of using our P3O-Foundation Study Materials if the clients encounter the difficulties, the obstacles and the doubts they could contact our online customer service staff in the whole day. If the clients fail in the test by accident we will refund them at once in the first moment. Our service team will update the P3O-Foundation study materials periodically and provide one-year free update. We only use the certificated experts and published authors to compile our study materials and our products boost the practice test software to test the clients' ability to answer the questions. The clients can firstly be familiar with our products in detail and then make their decisions to buy it or not.

PRINCE2 P3O Foundation Project Office 2013 Exam Sample Questions (Q49-Q54):

NEW QUESTION # 49

Which of the following are key stakeholders in a temporary Project Office?

1. Organization Portfolio Office
2. Business as usual staff
3. Suppliers to the project
4. Project Board members

- A. 1,2,4
- B. 2,3,4
- C. 1,3,4
- D. 1,2,3

Answer: B

Explanation:

The P3O Foundation (2013) manual identifies business as usual staff, suppliers, and Project Board members as key stakeholders in a temporary Project Office. Section 5.3.3 states, "Key stakeholders in a temporary Project Office include business as usual staff affected by the project, suppliers providing resources, and Project Board members overseeing delivery." The Organization Portfolio Office (1) is a strategic entity, not a direct stakeholder in a temporary office. The 2013 edition focuses on operational stakeholders impacting or impacted by the project, making D the correct choice. This ensures effective stakeholder engagement during the project lifecycle.

Reference: P3O Foundation (2013) manual, Section 5.3.3, AXELOS.

NEW QUESTION # 50

How does a P3O typically deliver an information portal to the PPM community?

- A. Through an intranet site showing templates and guidance
- B. By documenting business process swimlanes
- C. By appropriate capacity planning for resource management
- D. Using programme and project management forums

Answer: A

Explanation:

The P3O Foundation (2013) manual specifies that a P3O typically delivers an information portal via an intranet site with templates and guidance. Section 6.2.2 states, "The P3O delivers an information portal to the PPM community through an intranet site, providing access to templates, guidance, and best practices." This differs from process swimlanes (B), forums (C), or capacity planning (D), which serve other purposes. The 2013 edition emphasizes this centralized access to enhance collaboration and standardize PPM practices. This approach ensures efficient knowledge sharing across the organization.

Reference: P3O Foundation (2013) manual, Section 6.2.2, AXELOS.

NEW QUESTION # 51

Which of the following are recommended for the implementation of a P3O model?

1. Follow a recognized programme or project methodology
 2. Define a budget and associated timescales to deliver
 3. Appoint a P3O Sponsor
 4. Use a programme approach to implement a single office P3O staffed by one individual
- A. 1,2,4
 - B. 1,2,3
 - C. 1,3,4
 - D. 2,3,4

Answer: B

Explanation:

The P3O Foundation (2013) manual recommends following a recognized methodology, defining a budget and timescales, and appointing a P3O Sponsor for implementation. Section 4.2.1 states, "Implementation should follow a recognized programme or project methodology, include a defined budget and timescales, and involve appointing a P3O Sponsor to provide leadership." However, using a programme approach for a single- office P3O staffed by one individual (4) is not recommended due to scalability and governance issues. The 2013 edition emphasizes a structured approach to ensure success, with the Sponsor driving strategic alignment and methodology providing a framework. Options B, C, and D include the impractical fourth element, making A the correct choice for a robust implementation process.

Reference: P3O Foundation (2013) manual, Section 4.2.1, AXELOS.

NEW QUESTION # 52

Which is a responsibility of the P3O Sponsor role?

- A. Secure the investment required to set up the P3O
- B. Recruit the Portfolio Office staff members
- C. Ensure the portfolio delivers the required strategy
- D. Recommend an appropriate mix of programmes and projects

Answer: A

Explanation:

The P3O Foundation (2013) manual identifies securing investment as a key responsibility of the P3O Sponsor. Section 3.5.1 states, "The P3O Sponsor is responsible for securing the investment required to establish and sustain the P3O, advocating its value to senior management." This differs from ensuring portfolio delivery (A), staff recruitment (C), or programme mix (D), which are Portfolio Office or Analyst roles. The 2013 edition emphasizes the Sponsor's leadership in funding advocacy, ensuring the P3O's viability. This role drives strategic commitment and resource allocation.

Reference: P3O Foundation (2013) manual, Section 3.5.1, AXELOS.

NEW QUESTION # 53

Which is a typical constraint which impacts on how a P3O is implemented?

- A. Quality, standardized data is needed
- B. P3O assurance services must be independent
- C. P3O governance must align with existing corporate governance
- D. Pace of change must take into account current P3M3 maturity

Answer: C

Explanation:

The P3O Foundation (2013) manual identifies alignment with existing corporate governance as a typical implementation constraint. Section 4.2.3 states, "A key constraint in P3O implementation is ensuring its governance aligns with the organization's existing corporate governance framework to maintain coherence and authority." This differs from pace of change (A), data quality (B), or assurance independence (C), which are operational considerations. The 2013 edition emphasizes this alignment to avoid conflicts, ensuring the P3O integrates seamlessly. This constraint shapes the implementation strategy and structure.

Reference: P3O Foundation (2013) manual, Section 4.2.3, AXELOS.

NEW QUESTION # 54

.....

It is very necessary for candidates to get valid P3O-Foundation dumps collection because it can save your time and help you get succeed in IT filed by clearing P3O-Foundation actual test. Passing real exam is not easy task so many people need to take professional suggestions to prepare P3O-Foundation Practice Exam. The reason that we get good reputation among dump vendors is the most reliable P3O-Foundation pdf vce and the best-quality service.

Latest P3O-Foundation Learning Materials: <https://www.passleadervce.com/PRINCE2-Certification/reliable-P3O-Foundation-exam-learning-guide.html>
