- A. SAP Fiori application extensions
- **B. Known integration requirements**
- **C. Business role requirements**
- D. Target customer go-live date

**Answer: B,C**

Explanation:

A completed Digital Discovery Assessment is a comprehensive evaluation conducted during the planning stages of an SAP S/4HANA Cloud Public Edition implementation. This assessment captures various critical aspects of the project to ensure a tailored and efficient approach. Two key elements captured in this assessment are 'Known integration requirements' and 'Business role requirements'. Understanding the integration requirements is essential for ensuring seamless connectivity and data flow between SAP S/4HANA Cloud and other systems. Identifying business role requirements is crucial for aligning the system's capabilities with the specific needs and responsibilities of different user groups within the organization. Both elements are pivotal for designing a solution that is both integrated and user-centric.
