NEW QUESTION # 71

Which describes P3O assurance services?

- A. Independent of the programme being assured
- B. Carried out by the delivery function
- C. Supports Programme Managers in delivery
- D. Integrated into the programme being assured

Answer: A

Explanation:

The P3O Foundation (2013) manual describes P3O assurance services as independent of the programme being assured. Section 7.3.2 states, "P3O assurance services are provided independently of the programme or project being assessed to ensure objective evaluation and compliance with governance standards." This contrasts with integration (B), delivery function involvement (C), or support for Programme Managers (D), which compromise objectivity. The 2013 edition emphasizes this independence to maintain credibility and effectiveness in oversight, supporting strategic alignment and risk management. This ensures unbiased assurance across change initiatives, enhancing organizational trust in P3O processes.

NEW QUESTION # 72

Which non-PPM function is often provided by a P3O in the interests of business efficiency?

- A. Challenging project data
- B. Providing a secretariat service to management boards
- C. Escalating risks and issues
- D. Scrutinising the impact of project delivery on business as usual

Answer: B

Explanation:

The P3O Foundation (2013) manual identifies providing a secretariat service to management boards as a non-PPM function often undertaken by a P3O for business efficiency. Section 7.2.3 states, "The P3O may provide secretariat services to management boards, including organizing meetings and documenting decisions, to enhance efficiency and support governance." This contrasts with challenging project data (A), scrutinizing impacts (B), and escalating risks (C), which are PPM-related functions. The 2013 edition highlights this administrative support as a value-added service, leveraging P3O's centralized position to streamline board activities. This role reduces duplication, ensuring management boards focus on strategic oversight, aligning with the P3O's broader support mandate across the organization.
