### NEW QUESTION # 263

Which is a minimum requirement for applying the change theme?

- A. To tailor all changes to improve the quality of the project
- **B. To identify whether an issue affects the continuation of the project**
- C. To produce a breakdown of the products to be produced
- D. To ensure each change is managed as an exception

**Answer: B**

Explanation:

A minimum requirement for applying the change theme in PRINCE2 is to identify whether an issue has the potential to affect the continuation of the project. This involves assessing the impact of potential changes or issues on the project's objectives and deciding whether they warrant considering the project as unviable in its current form.
