

Certificate Huawei H19-401_V2.0 Exam | Valid H19-401_V2.0 Exam Guide

We give priority to the relationship between us and users of the H19-401_V2.0 preparation materials, as a result of this we are dedicated to create a reliable and secure software system not only in payment on H19-401_V2.0 training quiz the but also in their privacy. So we have the responsibility to delete your information and avoid the leakage of your information about purchasing H19-401_V2.0 Study Dumps. We believe that mutual understanding is the foundation of the corporation between our customers and us.

Download Huawei H19-401_V2.0 Real Exam Dumps Today. Today is the right time to learn new and in demands skills. You can do this easily, just get registered in Huawei H19-401_V2.0 certification exam and start preparation with Huawei H19-401_V2.0 exam dumps. The HCSP-Presales-Campus Network Planning and Design V2.0 H19-401_V2.0 PDF Questions and practice test are ready for download. Just pay the affordable H19-401_V2.0 authentic dumps charges and click on the download button. Get the HCSP-Presales-Campus Network Planning and Design V2.0 H19-401_V2.0 latest dumps and start preparing today.

Valid Huawei H19-401_V2.0 Exam Guide & New H19-401_V2.0 Test Question

Make yourself more valuable in today's competitive computer industry Pass4sureCert's preparation material includes the most excellent features, prepared by the same dedicated experts who have come together to offer an integrated solution. Pass4sureCert's H19-401_V2.0 preparation material includes the most excellent features, prepared by the same dedicated experts who have come together to offer an integrated solution. H19-401_V2.0 Preparation material guarantee that you will get most excellent and simple method to pass your certification H19-401_V2.0 exams on the first attempt.

Huawei HCSP-Presales-Campus Network Planning and Design V2.0 Sample Questions (Q32-Q37):

NEW QUESTION # 32

Which of the following technologies is used to improve air interface security?

- A. IPsec
- B. WDS
- C. DTLS
- D. PMF

Answer: D

Explanation:

PMF (Protected Management Frames) , defined in the 802.11w standard, is the primary technology used to enhance security specifically over the air interface . While WDS is for bridging, and DTLS/IPsec are used for tunnel encryption (like CAPWAP), PMF protects management frames (such as Disassociation, Deauthentication, and Robust Action frames) from being forged or spoofed by attackers. This prevents common DoS (Denial of Service) attacks where an attacker forcibly disconnects legitimate users from the Wi- Fi network.

NEW QUESTION # 33

IPv4 and IPv6 addresses can be used to establish SD-WAN tunnels over different underlay links.

- A. True
- B. False

Answer: A

Explanation:

Huawei's SD-WAN solution supports dual-stack (IPv4/IPv6) networking. This means that overlay tunnels (typically IPsec) can be established regardless of whether the underlying transport network (Internet, MPLS, or LTE) uses IPv4 or IPv6. This is a critical feature for enterprises undergoing transition, allowing them to build a unified virtual private network over heterogeneous physical infrastructures.

NEW QUESTION # 34

Which of the following scenarios can Huawei's cloud-managed campus network solution apply to?

- A. Primary/Secondary school
- B. Shopping mall/Supermarket
- C. Hotel
- D. Micro store

Answer: A,B,C,D

Explanation:

Huawei's CloudCampus Solution is designed for high scalability and multi-branch management. It is specifically recommended in the V2.0 design guides for:

- * Retail (A, D): Centralized management of many small, geographically dispersed stores.
- * Education (B): Simplified O & M for K-12 schools with limited IT staff.
- * Hospitality (C): Fast deployment and easy guest Wi-Fi management for hotels.

NEW QUESTION # 35

How many terminal identification methods are supported by Huawei's campus network solution?

- A. 0
- B. 1
- C. 2
- D. 3

Answer: B

Explanation:

Huawei's terminal identification system (used in iMaster NCE-Campus for fingerprinting IoT devices) officially utilizes 7 distinct methods to ensure high accuracy:

- * MAC OUI: Identification by the vendor prefix of the MAC address.
- * HTTP User-Agent: Extracting device info from browser headers.
- * DHCP Option: Identifying devices based on DHCP request parameters (e.g., Option 55/60).
- * LLDP: Using Link Layer Discovery Protocol info.
- * mDNS: Identifying Apple and other smart devices via multicast DNS.
- * SNMP Query: Actively reading MIBs from terminals.
- * Nmap/Proactive Scanning: Actively probing open ports and OS fingerprints.

NEW QUESTION # 36

Which of the following is the main reason why SD-WAN requires high-specification devices?

- A. Encryption required

- B. Service orchestration
- **C. Forwarding processing based on Layer 3 to Layer 7 applications**
- D. Support for multiple automatic deployment scenarios

Answer: C

Explanation:

While encryption (IPsec) is important, the "Intelligence" in SD-WAN comes from Application-based Routing. To perform Intelligent Traffic Steering, the gateway must identify traffic not just by IP/Port (L3/L4), but by the actual application (L7), such as distinguishing between Office 365 and YouTube. This requires DPI (Deep Packet Inspection) and complex signature matching, which is significantly more CPU and memory intensive than traditional destination-based routing, thus necessitating high-specification hardware.

NEW QUESTION # 37

.....

We have three versions packages of the H19-401_V2.0 exam questions to help you comprehensively. Also, all contents are carefully prepared by our researchers. So you needn't to read and memorize the boring reference books of the H19-401_V2.0 Exam. Most people have successfully passed the exam under the assistance of our study materials. So try to trust us. Our H19-401_V2.0 study materials will help you generate a wonderful life.

Valid H19-401_V2.0 Exam Guide: https://www.pass4surecert.com/Huawei/H19-401_V2.0-practice-exam-dumps.html

A: AtPass4sureCert Valid H19-401_V2.0 Exam Guide we respect every client's right to privacy, Therefore, don't hesitate to order our Huawei H19-401_V2.0 testking materials you will definitely win a bargain, Here, H19-401_V2.0 examkiller practice dumps may be a good study reference for you, Once you decide to select H19-401_V2.0 test topics pdf, we will make every effort to help you pass the exam, Huawei Certificate H19-401_V2.0 Exam At the same time, our professional experts are keeping a close eye on the changes of the exam questions and answers.

and McAlester, Oklahoma, The coding structure is aligned with the chart H19-401_V2.0 of accounts to appropriately allocate the costs to the corporate accounting system, A: AtPass4sureCert we respect every client's right to privacy.
