PRINCE2 7 Foundation written Exam Sample Questions (Q44-Q49):

NEW QUESTION # 44
Which process defines the work to deliver the major products ensuring that an organization uses its resources effectively?

- A. Initiating a project
- B. Managing product delivery
- C. Controlling a stage
- D. Starting up a project

Answer: B

Explanation:
The 'managing product delivery' process in PRINCE2 defines the work needed to deliver major products, ensuring effective use of organizational resources. This process focuses on the acceptance, execution, and delivery of project products according to agreed plans between the project manager and the team manager.

NEW QUESTION # 46
Which is a step in the recommended approach to 'defining and analyzing the products'?

- A. Designing a plan
- B. Preparing estimates
- C. Identifying activities and dependencies
- D. Writing a project product description

Answer: D

Explanation:
A key step in the recommended approach to 'defining and analyzing the products' in PRINCE2 is writing a Project Product Description. This description captures the purpose, composition, derivation, and acceptance criteria of the project's main deliverable. References: PRINCE2 Foundation Training Manual; PRINCE2
2017 Foundation handbook.

NEW QUESTION # 47
Why is it necessary to apply the 'defined roles and responsibilities' principle?

- A. Because the project management team should be cross-functional
- B. Because the people involved in a project should know what is expected of them
- C. Because the user and supplier interests should be involved on a need-to-know basis
- D. Because the project manager should represent all the stakeholders of the project

Answer: B

Explanation:
The 'defined roles and responsibilities' principle in PRINCE2 is essential because it ensures clarity and efficiency in project management. By clearly defining roles and responsibilities, everyone involved in the project understands their tasks, responsibilities, and reporting relationships. This clarity helps in reducing confusion and improving communication and accountability among project team members.
