- A. Sending a confirmation email to the user after form submission
- B. Requiring a specific field to be filled before form submission
- **C. Redirecting the user to a different webpage after form submission**
- D. Displaying a thank you message after form submission

**Answer: C**

Explanation:

An advanced form rule in Oracle Eloqua can include actions like redirecting the user to a different webpage after successful form submission. This feature allows marketers to create custom user experiences by directing users to specific landing pages or providing post-submission instructions based on their form submission.

### NEW QUESTION # 98

Which of the following statements about lead scoring model testing in Oracle Eloqua is correct?

- A. Testing of the lead scoring model can be performed only on live leads.
- B. The testing phase is not necessary for a lead scoring model implementation.
- **C. It is recommended to test and refine the lead scoring model regularly.**
- D. The lead scoring model cannot be modified once it is published.

**Answer: C**

Explanation:

It is highly recommended to test and refine the lead scoring model regularly in Oracle Eloqua. Testing allows you to ensure the accuracy and effectiveness of the model, as well as make necessary adjustments based on real-world performance. This iterative testing and refining process help optimize the lead scoring model's performance and alignment with your organization's goals.

### NEW QUESTION # 99

Which of the following is a best practice for improving email deliverability?

- A. Using vague subject lines to increase open rates
- B. Including large file attachments in every email
- **C. Regularly monitoring email delivery metrics and making necessary adjustments**
- D. Purchasing email lists from third-party sources

**Answer: C**

Explanation:

Monitoring email delivery metrics, such as bounce rates, spam complaints, and inbox placement rates, allows marketers to identify and address any potential issues affecting deliverability. By regularly reviewing these metrics, adjustments can be made to the email marketing strategy, such as improving content, refining audience targeting, or adjusting sending practices, to maintain and improve overall deliverability rates.

### NEW QUESTION # 100
