Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q80-Q85):

NEW QUESTION # 80

If an employer with 200 employees wants to offer health insurance and calls a SHOP Exchange Navigator, what should the navigator do?

- A. Help the employer sign-up through the SHOP Exchange
- **B. Refer the employer to a licensed insurance producer**
- C. Refer the employer to the Maryland Insurance Administration
- D. Refer the employer to the carrier where a friend works

Answer: B

Explanation:

SHOP Exchange (Insurance Article, § 31-101) serves employers with 1-50 employees; a 200-employee firm exceeds this, so the navigator should refer them to a producer for large group plans, not assist via SHOP, refer personally, or send to the MIA.

References: Maryland Insurance Article, § 31-101; MIA SHOP Exchange guidelines.

NEW QUESTION # 81

In Maryland, an insurance producer is a person who solicits, negotiates, or sells insurance plans PRIMARILY in conjunction with:

- A. Performing clerical duties
- B. Enrolling individuals in group plans
- C. Acting as a regularly salaried officer
- **D. Earning commission**

Answer: D

Explanation:

A producer (Insurance Article, § 1-101(aa)) solicits and sells insurance primarily for commissions, distinguishing them from clerical staff, enrollment facilitators, or salaried insurer employees. This reflects their independent role.

References: Maryland Insurance Article, § 1-101(aa), § 10-101; MIA producer definitions.

NEW QUESTION # 82

An insurance producer or advisor in the State of Maryland can be disciplined by the Maryland Insurance Administration for all of the following EXCEPT:

- **A. Filing a complaint on behalf of the consumer with the Maryland Insurance Administration**
- B. Making false or misleading statements about dividends previously paid on similar policies
- C. Using inappropriate description of a policy to hide the true nature of the policy
- D. Making a misleading statement about the financial condition of an insurer

Answer: A

Explanation:

The MIA (Insurance Article, § 10-126) disciplines producers for misrepresentation (§ 27-202, § 27-503), but filing a consumer complaint with the MIA is a legitimate advocacy action, not a disciplinary offense. It supports consumer protection, unlike the other deceptive practices.

References: Maryland Insurance Article, § 10-126, § 27-202, § 27-503; MIA producer regulations.

NEW QUESTION # 83

In Maryland, continuation of medical plan coverage for a handicapped child beyond the age limit stated in the policy may require proof of the child's:

- A. Continued insurability
- **B. Incapacity and dependency upon reaching the age limit**
- C. Dependency for the first two years of continued coverage only
- D. Incapacity only

Answer: B

Explanation:

Under Insurance Article, § 15-401, coverage for handicapped children extends beyond age limits if they're incapacitated (unable to work) and dependent on the insured at the age limit. Insurability isn't required, incapacity alone isn't enough, and dependency isn't time-limited to two years.

References: Maryland Insurance Article, § 15-401; MIA dependent coverage rules.

NEW QUESTION # 84

Group health insurance contracts providing coverage for employees in more than one state are usually controlled by the laws of the state where:

- A. The application is signed
- **B. The master contract is issued**
- C. The majority of employees reside
- D. The producer resides

Answer: B

Explanation:

Multi-state group plans (Insurance Article, § 15-1202) are governed by the state where the master contract is issued, typically the employer's home state, ensuring consistent legal oversight regardless of employee location or producer residence.

References: Maryland Insurance Article, § 15-1202; MIA multi-state group rules.
