Maryland Insurance Administration Maryland Accident and Health or

Sickness Producer Series 20-24 Exam Sample Questions (Q70-Q75):

NEW QUESTION # 70

Reasonable and customary charges for health care are based primarily on:

- A. Insurance industry studies
- **B. Average charges within a geographic area**
- C. National physician surveys
- D. Actuarial tables

Answer: B

Explanation:

Reasonable and customary charges (Insurance Article, § 15-1005) reflect average fees for procedures in a specific geographic area (e.g., 80th percentile), ensuring fair reimbursement. Actuarial tables, studies, and national surveys aren't the primary basis.

References: Maryland Insurance Article, § 15-1005; MIA health insurance guidelines.

NEW QUESTION # 71

The primary purpose of disability income insurance is to:

- A. Pay any physicians' fees resulting from a disabling injury
- **B. Provide benefit payments for a period of time when the insured is unable to work**
- C. Pay necessary hospital expenses when the insured is unable to work
- D. Provide indemnity for loss of life

Answer: B

Explanation:

Disability income insurance (Insurance Article, § 15-201) replaces income during disability, not life indemnity, hospital costs (health insurance), or physician fees (medical insurance). It supports financial stability when work is impossible.

References: Maryland Insurance Article, § 15-201; MIA disability insurance standards.

NEW QUESTION # 72

When a producer engages in unfair practices, all of the following are true EXCEPT:

- A. The Maryland Insurance Administration can suspend the producer's license
- B. The Maryland Insurance Administration can issue a cease and desist order
- **C. The Maryland Insurance Administration's decision is final**
- D. The Maryland Insurance Administration can investigate the problem and hold a hearing

Answer: C

Explanation:

The MIA (Insurance Article, § 2-201, § 10-126) can investigate, suspend licenses, and issue orders, but its decisions are appealable to Maryland courts, not final.

References: Maryland Insurance Article, § 2-201, § 10-126; MIA enforcement powers.

NEW QUESTION # 73

Which feature in a long-term care insurance policy is designed specifically to provide benefits at times when family members need a break from caring for the insured?

- A. Home health care
- **B. Respite care**
- C. Skilled nursing facility care
- D. Custodial facility care

Answer: B

Explanation:

Respite care (Insurance Article, § 18-101) offers temporary professional care to relieve family caregivers, a mandated feature in Maryland long-term care policies. Skilled nursing, custodial care, and home health care serve ongoing needs, not specifically caregiver breaks.

References: Maryland Insurance Article, § 18-101 et seq.; MIA LTC guidelines.

NEW QUESTION # 74

A health maintenance organization may issue a contract that provides benefits for the following:

- A. The accidental death of an HMO member
- **B. Health care services provided to members of the HMO**
- C. Replacement of income lost by a member due to the member's disability
- D. The dismemberment of an HMO member

Answer: B

Explanation:

HMOs (Health-General Article, § 19-701) provide health care services to members, not income replacement (disability insurance), accidental death, or dismemberment benefits (life/accident insurance).

References: Maryland Health-General Article, § 19-701; MIA HMO guidelines.

NEW QUESTION # 75

.....
