Once you become certified by Maryland Insurance Administration

Accident-and-Health-or-Sickness-Producer, a whole new career scope will open up to you.

Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q27-Q32):

NEW QUESTION # 27

When an accident and health insurer requires a covered individual to undergo a physical examination, who pays the cost of the examination?

- A. The premium payor
- **B. The insurer**
- C. The principal insured individual
- D. The patient or parent of the patient

Answer: B

Explanation:

If an insurer mandates a physical exam (Insurance Article, § 12-202), it pays the cost, as it's a condition of coverage or claims processing. The premium payor, insured, or patient isn't responsible for insurer-initiated requirements.

References: Maryland Insurance Article, § 12-202; MIA policy standards.

NEW QUESTION # 28

The free-look period provided in a life insurance policy is usually:

- A. 31 days
- **B. 10 days**
- C. 60 days
- D. 45 days

Answer: B

Explanation:

Comprehensive and Detailed Step by Step Explanation: The free-look period is a consumer protection mechanism allowing policyholders to cancel a policy within a specific period for a full refund.

* 10 days (A): Maryland law requires a minimum free-look period of 10 days for life insurance policies, allowing buyers to review the policy without financial obligation.

* 31 days (B), 45 days (C), and 60 days (D): These exceed Maryland's statutory minimum and are not standard requirements unless specifically offered by the insurer.

References: Maryland Free-Look Provisions, COMAR 31.09.09, and Maryland Consumer Protection Act.

NEW QUESTION # 29

Which type of coverage bases benefit eligibility on the capacity to perform activities of daily living?

- A. Medicare supplement
- **B. Long-term care insurance**
- C. Long-term disability
- D. Major medical expense

Answer: B

Explanation:

Long-term care insurance (Insurance Article, § 18-101) triggers benefits based on inability to perform ADLs (e.g., bathing), unlike Medigap, major medical, or disability, which focus on medical or work criteria.

References: Maryland Insurance Article, § 18-101; MIA long-term care rules.

NEW QUESTION # 30

All of the following are examples of unfair claims settlement practices EXCEPT:

- A. Failing to promptly provide a reason for a claim denial
- B. Refusing arbitrarily and unreasonably to pay claims
- C. Misrepresenting pertinent facts of coverage
- **D. Denying unsubstantiated claims on a timely basis**

Answer: D

Explanation:

Unfair practices (Insurance Article, § 27-303) include delays, arbitrary refusals, and misrepresentation.

Denying unsubstantiated claims promptly is fair and expected, not an unfair practice.

References: Maryland Insurance Article, § 27-303; MIA claims regulations.

NEW QUESTION # 31

All of the following are basic underwriting actions in accident and health insurance EXCEPT:

- A. Rejecting applicants
- **B. Deleting uniform policy provisions**
- C. Issuing policies with exclusion riders
- D. Issuing standard policies as applied for

Answer: B

Explanation:

Underwriting involves assessing risk by rejecting high-risk applicants, issuing standard policies, or adding exclusion riders for specific conditions. Deleting uniform policy provisions-mandatory clauses like grace periods (Insurance Article, § 15-201)-isn't an underwriting action, as these are legally required and cannot be altered by underwriters.

References: Maryland Insurance Article, § 15-201 et seq.; MIA underwriting guidelines.

NEW QUESTION # 32

.....

In order to survive better in society, we must understand the requirements of society for us. In addition to theoretical knowledge, we need more practical skills.
