NEW QUESTION # 24

All of the following are examples of unfair claims settlement practices EXCEPT:

- A. Failing to promptly provide a reason for a claim denial
- B. Misrepresenting pertinent facts of coverage
- C. Refusing arbitrarily and unreasonably to pay claims
- D. Denying unsubstantiated claims on a timely basis

Answer: D

Explanation:

Unfair practices (Insurance Article, § 27-303) include delays, arbitrary refusals, and misrepresentation.

Denying unsubstantiated claims promptly is fair and expected, not an unfair practice.

NEW QUESTION # 25

An accident and health insurance producer is most likely to become liable for professional errors and omissions as the result of:

- A. Submitting a premium payment to an insurer in excess of the required amount
- B. An accounting error discovered by the producer's accountant
- C. Misleading a prospective insured in replacing accident and health insurance
- D. Incorrect filing of federal income taxes

Answer: C

Explanation:

Errors and omissions liability arises from professional negligence (Insurance Article, § 10-126). Misleading a client about policy replacement (twisting, § 27-203) directly harms them, unlike accounting errors, overpayments, or tax issues, which are internal or personal.

- B. Wellness programs
- C. Twenty-four hour access to emergency care
