ServiceNow Certified Implementation Specialist - Strategic Portfolio Management Sample Questions (Q114-Q119):

NEW QUESTION # 114
To set up a group for selection in a resource plan, the group record needs to include which role?

- A. resource_manager
- B. it_project_user
- C. pps_resource
- D. itil

Answer: C

Explanation:
Explanation
According to the Assigning Resource Roles document, to set up a group for selection in a resource plan, the group record needs to include the pps_resource role. This role grants access to the Resource Management application and allows the group members to view and update their resource allocations. The other options are not correct, as they are not required for a group to be selected in a resource plan. The it_project_user role grants access to the Project Portfolio Management application and allows the user to create and update projects. The itil role grants access to the ITIL application and allows the user to manage incidents, problems, and changes. The resource_manager role grants access to the Resource Management application and allows the user to manage resource plans and allocations.

NEW QUESTION # 115
When creating a project from demand, what related records are moved and copied upon Project Creation?

- A. Resource Plan and Cost Plan.

- B. Cost Plan and Assessment.
- C. Idea and Demand.
- D. Resource Plan and Change Requests.

Answer: A

Explanation:
Explanation
According to the Create a customer project from a demand document, when creating a project from demand, the resource plan and the cost plan are moved and copied upon project creation. The resource plan defines the resources required for the project, and the cost plan defines the estimated and actual costs for the project. The other options are not correct, as they are not related records that are moved and copied upon project creation.
The change requests, the idea, and the demand are not moved or copied to the project, but they are linked to the project as references. The assessment is not a record that is associated with the project, but with the demand.

NEW QUESTION # 116
