EXIN PRINCE2 7 Foundation written Exam Sample Questions (Q64-Q69):

NEW QUESTION # 64

How should effective issue management be applied When changing management products?

- A. By Implementing a change budget to fund changes to the project product
- **B. By creating new versions of a management product when a change is approved**
- C. By changing the issue management approach at the end of each stage to reflect lessons
- D. By recording the required change to a management product as an off-specification

Answer: B

Explanation:

Effective issue management in PRINCE2 should involve creating new versions of management products whenever a change is approved. This practice ensures that all documentation reflects the most current understanding and agreements regarding the project's scope and requirements. It helps maintain the integrity and relevance of the project documentation throughout its lifecycle, facilitating effective governance and control. References: (PRINCE2 7 Foundation Handbook, AXELOS)

NEW QUESTION # 65

Which is a purpose of the change theme?

- A. To assess and control uncertainty
- B. To establish mechanisms to monitor and compare actual achievements against those planned
- **C. To identify, assess and control any potential and approved changes to baselined products**
- D. To prevent change to baselined products

Answer: C

Explanation:

The purpose of the Change theme in PRINCE2 is to identify, assess, and control any potential and approved changes to baselined products. This theme provides the mechanisms to manage and control changes, which may affect the project's agreed-upon scope, products, timescales, or costs. It ensures that all changes are assessed for their impact and only implemented with appropriate approvals.
