100% Pass Quiz 2025 Authoritative ASHRAE HFDP: Healthcare Facility Design Professionals Latest Exam Cost

Due to continuous efforts of our experts, we have exactly targeted the content of the HFDP exam. You will pass the HFDP exam after 20 to 30 hours' learning with our HFDP study material. If you fail to pass the exam, we will give you a refund. Many users have witnessed the effectiveness of our HFDP Guide braindumps you surely will become one of them. Try it right now! And we will let you down.

ASHRAE Healthcare Facility Design Professionals Sample Questions (Q79-Q84):

NEW QUESTION # 79

A patient room was designed to provide 3 ACH of 100% outside air. The room is to be converted to an Airborne Infection Isolation Room (AIIR). A dedicated exhaust will be installed for the room, but there will be no changes to the supply. Which of the following additional changes will be required in order to meet the ventilation recommendations of ASHRAE Standard 170?

- A. Provide a parallel anteroom
- B. Provide Ultra Violet Germicidal Irradiation
- **C. Provide a supplemental recirculating device with HEPA filter**
- D. Provide personal protective respirators

Answer: C

Explanation:

Comprehensive and Detailed Explanation:

AIIR Requirement: ASHRAE 170, Table 7.1, requires 12 ACH for AIIRs. With only 3 ACH supply, a supplemental HEPA-filtered recirculation unit can increase effective ACH to meet the standard while maintaining negative pressure via the new exhaust.

Option Analysis:

A: Anteroom is optional, not required.

B: UVGI is supplementary, not an ACH solution.

C: Respirators are PPE, not HVAC.

D: Correct-meets ACH requirement.

NEW QUESTION # 80

What determines building envelope requirements in ASHRAE Standard 90.1?

- A. Project construction budget
- B. Building area
- **C. Climate zone**
- D. Building orientation

Answer: C

NEW QUESTION # 81

Which of the following statements is true about the FGI Guidelines for the Design and Construction of Health Care Facilities?

- **A. It is a set of minimum recommended guidelines for adoption by regulatory agencies**
- B. It is a set of minimum guidelines adopted by the American College of Surgeons for the design of operating rooms
- C. It is a required set of minimum guidelines for compliance with the Uniform Building Code
- D. It is a federally mandated set of minimum guidelines for compliance with the Centers for Medicare and Medicaid Services

Answer: A

NEW QUESTION # 82

Energy recovery systems serving Airborne Infectious Isolation Rooms must meet which of the following criteria?

- A. Total effectiveness greater than 50%
- B. Supply airstream and exhaust airstream components are separated by an air gap open to the atmosphere
- **C. Leakage potential shall be designed to have no more than 5% of the total supply airstream consisting of exhaust air**
- D. Wheel leakage of less than 0.5%, as determined by an SF6 test performed on the fully operational system in the field

Answer: C

NEW QUESTION # 83

A hospital has made a decision to change the type of surgeries that are being performed in one of its Class B Operating Rooms. The changes will require the room to be a Class C room. According to the HVAC Design Manual for Hospitals and Clinics, which of the following BEST describes the changes that should be made to the ventilation system?

- **A. Increase ACH to 25**
- B. Maintain current ventilation rate
- C. Relocate return air diffusers to the ceiling
- D. Decrease air flow to maintain ACH

Answer: A

Explanation:

Comprehensive and Detailed Explanation:

Class B vs. Class C: ASHRAE 170 and FGI Guidelines define Class B ORs (minor procedures) at 15 ACH minimum, and Class C ORs (major surgeries) at 20-25 ACH minimum (Table 7.1). The HVAC Design Manual recommends 25 ACH for Class C to ensure sterile conditions.

Option Analysis:

A: Incorrect-Class C requires higher ACH.

B: Incorrect-Decreasing airflow reduces ACH.

C: Incorrect-Return grilles stay low, not ceiling.

D: Correct-25 ACH aligns with Class C needs.

NEW QUESTION # 84

.....

Prep4King has created budget-friendly HFDP study guides because the registration price for the ASHRAE certification exam is already high. You won't ever need to look up information in various books because our ASHRAE HFDP Real Questions are created with that in mind. Additionally, in the event that the curriculum of ASHRAE changes, we provide free upgrades for up to three months.
