## Candidates for CSSBB Certification Test

The applicants who take the CSSBB exam want to understand how the Six Sigma principles and philosophies interact with the organization's culture. Also, they want to learn how the Six Sigma supporting tools and system can contribute to process improvement. In addition, the applicants interested in this exam want to become appreciated team leaders and go deeper in understanding the team dynamics as well as get equipped with how to assign team member's responsibilities and roles. The individuals who get certified with this exam will gain a solid knowledge of the DMAIC model according to Six Sigma standards. As for the eligibility criteria, the exam-takers must have a minimum of 3 years of experience in the areas included in the CSSBB test Body of Knowledge (BoK). They should also have one or two projects successfully finalized with signed affidavits.
