- A. All four dimensions are critical to effective and efficient facilitation of value
- B. All four dimensions apply only to product design and not to management practices
- C. All four dimensions focus mainly on the activities of the service value chain
- D. Each dimension on its own is sufficient to achieve the desired outcomes

**Answer: A**

Explanation:

All four dimensions are critical to the effective and efficient facilitation of value because they provide a balanced and holistic view of product and service management, ensuring that no important aspect is overlooked when creating and delivering value.

### NEW QUESTION # 56

Which of the following statements about value streams is INCORRECT?

- A. Value streams should exclude suppliers
- B. Value streams are enabled and supported by the organization's value chain
- C. Value streams can involve multiple practices
- D. Value streams continue to evolve over time

**Answer: A**

Explanation:

Value streams include all activities and stakeholders required to create and deliver value, which can involve suppliers and partners as part of the overall flow of work. Therefore, excluding suppliers is incorrect.
