ACFE Certified Fraud Examiner - Fraud Prevention and Deterrence Exam Sample Questions (Q272-Q277):

NEW QUESTION # 272

Which red flag is MOST commonly associated with corruption schemes?

- A. Employees with unusually close relationships to vendors or customers
- B. Frequent bank reconciliation differences
- C. Missing fixed assets
- D. Excessive write-offs of inventory

Answer: A

Explanation:

Corruption schemes often involve inappropriate relationships between employees and third parties. Unusually close vendor relationships may indicate bribery, kickbacks, conflicts of interest, or favoritism that compromise objective business decisions.

NEW QUESTION # 273

Glenda, an internal auditor, and Bridgette, an accounts receivable clerk, have had several heated disagreements over accounting procedures and policies. Glenda has just been told that she will be the lead on the company's fraud risk assessment. During the fraud risk assessment, Glenda should:

- A. Confront Bridgette about the disagreements and discuss how they increase the department's risk of fraud.
- **B. Have someone else perform the fraud risk assessment work related to the accounts receivable department's activities.**
- C. Include her disagreements with Bridgette as a factor when assessing the risk of fraud in the accounts receivable department.
- D. Automatically designate the accounts receivable department as a high-risk area.

Answer: B

Explanation:

Impartiality in Fraud Risk Assessment:

As the lead on the fraud risk assessment, Glenda must maintain objectivity and avoid the appearance of bias.

Her history of disagreements with Bridgette creates a potential conflict of interest, which could compromise the assessment's credibility.

NEW QUESTION # 274

Which of the following is NOT included in G20/OECD Principles of Corporate Governance (the Principles)?

- A. A request that governments have in place an appropriate framework to support good corporate governance practices
- **B. Support for establishing stronger protection for foreign shareholders than for domestic shareholders**
- C. Guidance regarding appropriate board structures, responsibilities, and procedures
- D. Recognition of the importance of the role of stakeholders in corporate governance

Answer: B

Explanation:

Understanding G20/OECD Principles of Corporate Governance: These principles provide a framework to improve corporate governance worldwide. Key elements include board responsibilities, shareholder rights, equitable treatment, and stakeholder roles.

NEW QUESTION # 275

Fraud risks related to regulatory and legal misconduct include all of the following EXCEPT:

- A. Conflicts of interest
- **B. Fraudulent customer payments**
- C. Anti-competitive practices
- D. Insider trading

Answer: B

Explanation:

Regulatory and Legal Misconduct:

This category includes practices that violate laws or regulations, such as anti-competitive behavior, insider trading, and conflicts of interest.

Why A is Correct:

Fraudulent customer payments are typically categorized under operational or financial fraud, not regulatory and legal misconduct.

NEW QUESTION # 276

During a fraud risk assessment, a manager argues that fraud risks should only be evaluated based on historical fraud incidents. What is the BEST response?

- A. Agree because past fraud is the strongest predictor of future fraud
- B. Exclude hypothetical fraud scenarios
- **C. Evaluate both existing and potential fraud risks, including risks not previously observed**
- D. Focus exclusively on areas with prior losses

Answer: C

Explanation:

Fraud risk assessments should consider both known and emerging risks. The absence of prior incidents does not indicate the absence of vulnerability. Organizations must evaluate potential schemes, changing business processes, and new threats that may not yet have occurred.
