NEW QUESTION # 17

How can administrator rights be granted to a new user within SAP Signavio Process Manager?

- A. Create a support ticket with SAP to request the full admin rights for a specific user.
- B. Create a user account and assign the access right "administrator".
- C. Create an Administrators user group and assign the respective person to this group.
- D. Create a user account and assign it to the Administrators user group.

Answer: D

Explanation:
To grant administrator rights to a new user within SAP Signavio Process Manager, the correct approach is to:
* Option B (Create a user account and assign it to the Administrators user group):Users are granted different levels of access and rights based on their group memberships. By creating a user account and then assigning that account to the Administrators user group, the user inherits the rights and privileges associated with that group, including administrative capabilities.
