Updated USGBC Test Question and LEED-Green-Associate Valid Test Notes

Every user has rated study material positively and passed the LEED-Green-Associate Exam. Actual4Cert gives a guarantee to the customers that if they fail to pass the LEED Green Associate Exam (LEED-Green-Associate) certification on the very first try despite all their efforts they can claim their money back according to terms and conditions. A team of experts is working day and night in order to make the product successful day by day and provide the customers with the best experience.

USGBC LEED Green Associate Exam Sample Questions (Q40-Q45):

NEW QUESTION # 40

Good site design benefits a project in which of the following ways?

- A. Provides access to public transportation and employment opportunities
- **B. Makes occupants comfortable by providing green spaces**
- C. Protects endangered species and maximizes development of previously undeveloped areas
- D. Supports access to diverse land uses, sustainable food and services

Answer: B

Explanation:

Good site design benefits a project in which of the following ways: makes occupants comfortable by providing green spaces. Green spaces are areas of vegetation that improve the quality of life for building occupants and visitors by providing natural views, fresh air, shade, noise reduction, and recreational opportunities. They also reduce heat island effect, improve stormwater management, and

sequester carbon dioxide. The LEED Green Associate Candidate Handbook states that one of the intents of the Sustainable Sites category is to "enhance occupant comfort by providing green spaces" [1, p. 13]. Reference: [LEED Green Associate Candidate Handbook], [Green Spaces | U.S. Department of Energy]

NEW QUESTION # 41

Which of the following strategies meets energy demand with renewable energy?

- A. Installing a solar hot water heater
- B. Purchasing Renewable Energy Certificates (RECs) from a clean coal plant
- C. Incinerating waste to heat a home
- D. Implementing a composting program in an office break room

Answer: A

NEW QUESTION # 42

Which of the following plans is implemented after occupancy?

- A. Fundamental Commissioning (Cx)
- B. Stormwater Pollution Prevention
- C. Value Engineering
- D. Green Cleaning

Answer: D

Explanation:

LEED Operations & Maintenance focuses on:

"Green Cleaning - the use of environmentally preferred cleaning practices and materials after occupancy..." It's a post-occupancy strategy to maintain indoor environmental quality.

NEW QUESTION # 43

Which factor increases the heat island effect on a project site?

- A. High albedo
- B. Light-colored surfaces
- C. High solar reflectivity index
- D. Paved surfaces

Answer: D

Explanation:

Paved surfaces absorb and retain heat, increasing local temperatures and contributing to the heat island effect. LEED encourages mitigating this effect by using materials with high Solar Reflectance Index (SRI) or implementing strategies like green roofs and shaded areas.

NEW QUESTION # 44

Volatile organic compounds (VOCs) negatively impact which of the following entities?

- A. Quality of indoor air
- B. Ability to recycle a product
- C. Durability of a product
- D. Quality of daylight

Answer: A

Explanation:

Explanation

Volatile organic compounds (VOCs) are compounds that have a high vapor pressure and low water solubility, and are emitted as

gases from certain solids or liquids¹. VOCs include a variety of chemicals, some of which may have short- and long-term adverse health effects². Concentrations of many VOCs are consistently higher indoors (up to ten times higher) than outdoors². VOCs are emitted by a wide array of products, such as paints, solvents, cleaners, fuels, pesticides, building materials, office equipment, etc². Breathing VOCs can irritate the eyes, nose and throat, can cause difficulty breathing and nausea, and can damage the central nervous system and other organs³. Some VOCs can cause cancer³. Therefore, VOCs negatively impact the quality of indoor air, which is option B.

NEW QUESTION # 45

.....

If you still doubt the accuracy of our USGBC exam dumps, you can download the free trial of test questions in our website. You will well know the ability of our LEED-Green-Associate dumps torrent clearly. If you decide to join us, you just need to spend one or two days to practice LEED-Green-Associate Top Questions and remember the key knowledge of real dumps, the test will be easy for you.
