최신 APEGS Professional NPPE 무료 샘플문제 (Q176-Q181):

질문 # 176

For more than 10 years, a licensed professional has been a key employee at DLB Ltd., a small engineering firm that specializes in rotary drill pit technology for the oil and gas sector. Over the years, the professional leads the development of Innovative drill bit designs that significantly Improve DLB Ltd.'s profitability.

Though the work is stimulating, the professional feels overworked, under-appreciated, and underpaid.

Recently, the professional is actively courted by Gyre Ltd, an engineering company specializing in tunnel-boring technology in the urban transportation industry.

Which of the following actions least conflicts with the professional's responsibilities and loyalties to DLB Ltd?

- A. Sharing designs with Gyre Ltd. contacts Including detailed drill bit configurations specific to models personally generated while at DLB Ltd.
- B. Discussing with Gyre Ltd. recruiters key technical drivers controlling drill bit efficiencies based on knowledge gained through personal experience at DLB Ltd.
- C. Duplicating their own personal client list collected over time at DLB Ltd. In order to maintain future customer contacts
- D. Communicating with colleagues that DLB Ltd. is poorly managed and an abysmal place to work

정답: B

설명:

Discussing technical details based on general knowledge gained through personal experience does not conflict with the professional's responsibilities and loyalties to DLB Ltd. While the professional should avoid sharing proprietary or confidential information from DLB Ltd., discussing broad technical concepts that drive efficiencies, which are part of the professional's general expertise, does not typically violate confidentiality or loyalty obligations .

질문 # 177

A professional member employed by Company A is leaving soon to work for Company B, a competitor in the same Industry. The member has submitted his resignation and a departure date has been agreed upon. After submitting his resignation, the member is asked by Company A to attend an Industry conference, which will occur prior to the agreed departure date. In order to promote its products. Company B will also send representatives to this conference to promote its own products.

If the member agrees to attend but then promotes his upcoming association with Company B, which of the common codes of ethical principles listed below will the member breach?

1. Professionals shall, in their areas of practice, hold paramount the health, safety, and welfare of the public and have regard for the environment.
2. Professionals shall undertake only work that they are competent to perform by virtue of their training and experience
3. Professionals shall conduct themselves with integrity, honesty, fairness, and objectivity in their professional activities.
4. Professionals shall comply with applicable statutes, regulations, and bylaws in their professional practices.
5. Professionals shall uphold and enhance the honour, dignity, and reputation of their professions and thus the ability of the professions to serve the public Interest.

- A. 0
- B. 4, 5
- C. 1, 2
- D. 1

정답: D

설명:

If the member agrees to attend the conference for Company A but promotes his upcoming association with Company B, he breaches the ethical principle that professionals shall conduct themselves with integrity, honesty, fairness, and objectivity in their professional activities (Option 3). By promoting his future employer while still employed and representing Company A, the member demonstrates a conflict of interest and a lack of loyalty, undermining the trust placed in him by his current employer.
