Professional L4M6 Exam Sims & Leader in Certification Exams Materials & Trustworthy Exam L4M6 Format

The product is made in three different formats to help customers with different preparation styles meet their needs. One of these

formats is CIPS L4M6 Dumps PDF file which is printable and portable. Users can take CIPS Supplier Relationships (L4M6) PDF questions anywhere and use them anytime.

Candidates who successfully complete the CIPS L4M6 Exam will be able to demonstrate their ability to manage suppliers effectively. They will have a better understanding of the importance of supplier management in achieving business success, and will be able to apply this knowledge to real-life situations. They will also be able to identify areas of improvement in supplier management practices, and implement effective strategies to address these areas.

CIPS Supplier Relationships Sample Questions (Q106-Q111):

NEW QUESTION # 106

A low level of trust between parties can often lead to partnership relationships being unsuccessful and failing. Which of the following supports the protection of commercially sensitive information between both parties and can help to retain trust?

- A. Early supplier involvement
- **B. A non-disclosure agreement**
- C. A business continuity plan
- D. An authorised business case

Answer: B

Explanation:

Comprehensive and Detailed Explanation:

A Non-Disclosure Agreement (NDA) is a legal contract that establishes a confidential relationship between parties. It ensures that any sensitive information shared during the course of a partnership is not disclosed to unauthorized parties. Implementing an NDA fosters trust by providing assurance that proprietary information, trade secrets, and other confidential data are protected. This is particularly crucial in partnerships where open communication and information sharing are essential for success.

NEW QUESTION # 107

Which of the following is an advantage for the supplier of entering into a partnership with a buyer?

- **A. They may gain an increased volume of business**
- B. They no longer have to try as hard to win business.
- C. There is more flexibility when selling the product
- D. The Intellectual Property Rights of the buyer become yours

Answer: A

Explanation:

The correct answer is 'They may gain an increased volume of business'. The other options are just not true. See p.130 for advantages and disadvantages of partnerships from both the buyer and supplier's perspective. This is a hot topic for the exam.

NEW QUESTION # 108

In the public sector, there are many sources of information that a buyer can use to identify a suitable supplier. Which of the following could be used? Select THREE

- A. OJEU
- B. Intranet
- **C. Procurement Platforms**
- **D. Internal stakeholders' knowledge**
- **E. Tradeshows**

Answer: C,D,E

Explanation:

The correct answers are; tradeshow, internal stakeholders' knowledge and e-procurement platforms. Intranet is incorrect as this is an internal system so you wouldn't find information on external suppliers on here (be careful not to confuse intranet with internet). OJEU is also incorrect; this is the platform on which tender opportunities in the public sector are published- it's not a list of suppliers.

NEW QUESTION # 109

A low-cost fashion retailer based in Europe is looking at adding value in their procurement activities. The retailer buys clothing for re-sale with a very small profit margin applied, relying on volume sales to make profit. Which of the following added-value approaches will be the most critical for the procurement team of the retailer to focus on with their supply chain?

- A. Improving timescales
- B. Reduction of inventory
- C. Price management
- D. Quality enhancement

Answer: C

Explanation:

For low-cost, high-volume business models, maintaining profitability depends on tightly controlled procurement costs. Price management is critical for ensuring competitive pricing while safeguarding slim margins. CIPS L4M6 highlights that effective cost management and price negotiation are essential in such scenarios.

NEW QUESTION # 110

A garden centre has recently purchased some lollipop sticks to use as plant labels. The staff have written the name of the plant on the lollipop stick and put it next to the plant. This helps them identify which plant is which. However, after a couple of weeks, the lollipop sticks have become mouldy and the writing has faded. Staff are now struggling to identify their plants. The Manager of the garden centre is considering returning the lollipop sticks and asking for a full refund as they were not fit for purpose. Can the Manager do this?

- A. Yes- so long as the manager kept the receipt
- B. Yes- the lollipop sticks have gone mouldy- this is unacceptable
- C. No- the manager cannot prove that the product is faulty
- D. No- as this was not the lollipop sticks intended purpose

Answer: D

Explanation:

The correct answer is 'no- as this was not the lollipop sticks intended purpose'. When deciding if something is fit for purpose, you must consider its intended and common purpose. In this case it would be for making lollipops. As the garden centre is using them for something other than their intended purpose, they can't complain if it doesn't work. Fit for purpose is discussed on p.65 p.s. there's a Question: like this in the real exam - it's just not lollipop sticks ;)

NEW QUESTION # 111

.....

FreeCram offers authentic L4M6 questions with accurate answers in their CIPS Supplier Relationships Exam practice questions file.
