Certification Requirements

Attaining this ASQ designation comes with certain requirements that have to be met. Thus, one of those requirements is the need for the specialists to have either one accomplished project with a signed affidavit or two finished projects, also with signed affidavits. Also, as regards work experience, candidates are required to have been in a full-time paid role for a minimum of three years; internships and other non-full-time roles are not acceptable. In addition to the experience garnered, a prospective CSSBB professional is expected to exude such qualities as the abilities to think creatively, lead skillfully, communicate effectively, and relate efficiently. In other words, the professionals must possess a set of organizational soft skills that would help in ensuring the smooth sailing of the organization they belong to.
