

# Huawei certification H12-831\_V1.0-ENU exam questions and answers come out

BONUS!!! Download part of TestPassKing H12-831\_V1.0-ENU dumps for free: <https://drive.google.com/open?id=1ZNCUOY9gnTRu6v16f8d7vwnNzqoqcrx>

In order to meet the time requirement of our customers, our experts carefully designed our H12-831\_V1.0-ENU test torrent to help customers pass the exam in a lot less time. We hope everyone can prepare for their exam with minimal time investment. If you purchase our HCIP-Datacom-Advanced Routing & Switching Technology V1.0 guide torrent, we can make sure that you just need to spend twenty to thirty hours on preparing for your exam before you take the exam, it will be very easy for you to save your time and energy. So do not hesitate and buy our H12-831\_V1.0-ENU study torrent, we believe it will give you a surprise, and it will not be a dream for you to pass your HCIP-Datacom-Advanced Routing & Switching Technology V1.0 exam and get your certification in the shortest time.

The HCIP-Datacom-Advanced Routing & Switching Technology V1.0 certification is an internationally recognized credential that enhances the career prospects of IT professionals. HCIP-Datacom-Advanced Routing & Switching Technology V1.0 certification is widely recognized in the industry and is highly valued by employers. Individuals who hold this certification are well-positioned to pursue a range of career opportunities, including network engineer, network architect, and network security specialist.

Huawei H12-831\_V1.0 certification exam covers a wide range of topics related to advanced routing and switching technology. It includes a thorough understanding of network architecture, routing protocols, MPLS VPN, BGP, multicast, and QoS. In addition, candidates will also be tested on their ability to configure, troubleshoot, and maintain complex network infrastructures using Huawei devices.

## H12-831\_V1.0-ENU Latest Exam Guide Help You Pass Exam with High Pass Rate - TestPassKing

Our H12-831\_V1.0-ENU guide torrent is compiled by experts and approved by the experienced professionals. They are revised and updated according to the change of the syllabus and the latest development situation in the theory and practice. The language is easy to be understood to make any learners have no learning obstacles and our H12-831\_V1.0-ENU study questions are suitable for any learners. Our H12-831\_V1.0-ENU study questions are linked tightly with the exam papers in the past and conform to the popular trend in the industry. Our product convey you more important information with less amount of the questions and answers. Thus we can be sure that our H12-831\_V1.0-ENU guide torrent are of high quality and can help you pass the exam with high probability.

### Huawei HCIP-Datacom-Advanced Routing & Switching Technology V1.0 Sample Questions (Q389-Q394):

#### NEW QUESTION # 389

A network device has established an OSPF neighbor relationship with another device. The figure shows the configuration of GE0/0/0 on the network device.

```
interface GE0/0/0
  description To_R1
  ip address 10.0.12.2 255.255.255.0
  ospf cost 10
  ospf dr-priority 100
  ospf enable 1 area 0.0.0.0
#
```

Which of the following commands would NOT affect the OSPF neighbor status of the interface?

- A. undo ospf cost
- B. undo ospf dr-priority
- C. undo ip address 10.0.12.2 24
- D. undo description

**Answer: D**

Explanation:

Comprehensive and Detailed In-Depth Explanation:

To determine the correct answer, we need to analyze how each command impacts OSPF neighbor relationships.

#### 1. Understanding OSPF Neighbor Formation

OSPF routers form neighbor relationships when they meet the following conditions:

- \* They are in the same subnet (IP addresses and subnet masks must match).
- \* They are in the same OSPF area.
- \* They use the same network type (e.g., Broadcast, Point-to-Point).
- \* Authentication (if configured) must match.
- \* Hello and Dead timers must match.

#### 2. Analyzing Each Answer Option

# A. "undo ip address 10.0.12.2 24" # Affects OSPF Neighbor Status

- \* Removing the IP address will prevent the interface from sending and receiving OSPF Hello packets.
- \* Without an IP address, OSPF cannot establish neighbor relationships.
- \* Effect: Breaks OSPF neighbor status.

# B. "undo description" # Does NOT Affect OSPF Neighbor Status

\* The interface description is just a label for administrators and has no impact on OSPF functionality.

\* It does not affect neighbor relationships, routing, or communication.

\* Effect: No impact on OSPF neighbors.

# C. "undo ospf cost" # Affects OSPF Neighbor Status Indirectly

\* OSPF cost determines the path selection but does NOT break the neighbor relationship.

\* However, if the cost change leads to routing table recalculations, it might cause temporary convergence issues.

\* Effect: Does not directly break neighbor status, but affects route selection.

# D. "undo ospf dr-priority" # Affects OSPF Neighbor Status (Possibly Causes DR Re-Election)

\* OSPF DR/BDR election uses priority values.

\* If changed, a new election might occur, leading to a temporary loss of neighbor relationships.

\* Effect: Might cause OSPF neighbor reset (temporary impact on adjacency).

### NEW QUESTION # 390

MPLS needs to assign labels to messages in advance and establish an LSP before it can forward messages. LSP is divided into static LSP and dynamic LSP. Which of the following protocols can be used to establish a dynamic LSP? (Multiple choice)

- A. IS-IS
- B. RSVP-TE
- C. LDP
- D. PIM-SM

Answer: B,C

### NEW QUESTION # 391

When there are multiple redundant links in the IS-IS network, multiple equal-cost routes may appear. For a certain route among the equal-cost routes, the network administrator can adjust its priority through the "nexthop xxxx weight value" command.

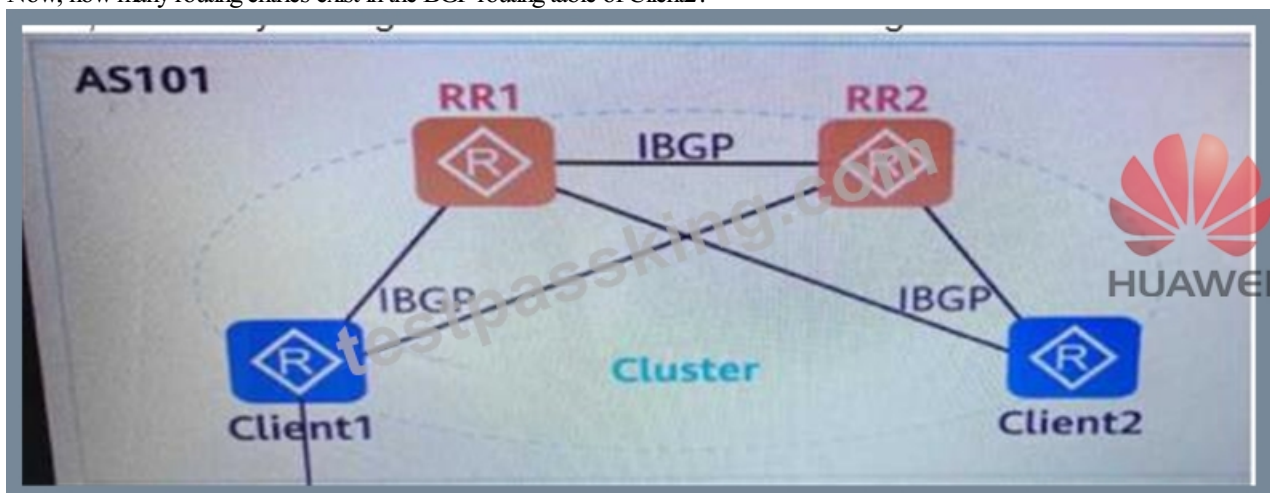

The smaller the value, the higher the priority.

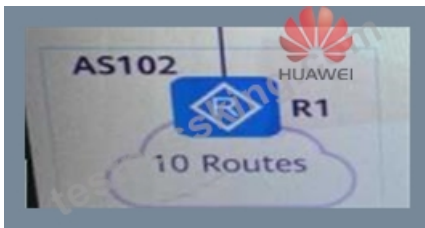

- A. False
- B. True

Answer: B

### NEW QUESTION # 392

As shown in the figure, Client1 and Client2 act as clients of RR1 and RR2 at the same time, and RR1 and RR2 are in the same In a Cluster, R introduces 10 routes. It is assumed that the configuration of B, CP is correct. Neighbor relations have been established. Now, how many routing entries exist in the BGP routing table of Client2?

- A. 0
- B. 1
- C. 2
- **D. 3**

Answer: D

### NEW QUESTION # 393

According to this figure, which of the following is the correct description of the IPv6 routing information calculated by the R4 router through IS-IS?

```
<R4>display ipv6 routing-table protocol isis
Public Routing Table : ISIS
Summary Count : 2
Destination : ::                               PrefixLength : 0
NextHop      : FE80::2E0:FCFF:FE98:2576        Preference   : 15
Cost         : 10                               Protocol     : ISIS-L1
Interface    : GigabitEthernet0/0/0

Destination : ::                               PrefixLength : 0
NextHop      : FE80::2E0:FCFF:FEA7:5813        Preference   : 15
Cost         : 10                               Protocol     : ISIS-L1

Destination : ::                               PrefixLength : 0
NextHop      : FE80::2E0:FCFF:FE98:2576        Preference   : 15
Cost         : 10                               Protocol     : ISIS-L1
Interface    : GigabitEthernet0/0/0

Destination : ::                               PrefixLength : 0
NextHop      : FE80::2E0:FCFF:FEA7:5813        Preference   : 15
Cost         : 10                               Protocol     : ISIS-L1
Interface    : GigabitEthernet0/0/0
```

- A. R4 has 2 unequal IS-IS default routes
- B. R4 has no IS-IS routing entry
- C. R4 has 2 equal-cost IS-IS default routes
- D. R4 has 1 IS-IS default route

Answer: C

#### NEW QUESTION # 394

.....

Do you want to pass the exam with the least time? If you do, you can choose us, we can do that for you. H12-831\_V1.0-ENU exam cram is high-quality, and it can help you pass the exam just one time. You just need to spend about 48 to 72 hours on practicing that you can pass the exam. Besides, you can obtain the download link and password within ten minutes after payment for H12-831\_V1.0-ENU Training Materials. In order to make you get the latest information for H12-831\_V1.0-ENU training materials, we offer you free update for one year after buying, and the latest version for H12-831\_V1.0-ENU exam materials will be sent to your email automatically.
