

Standard GICSP Answers - Examcollection GICSP Questions Answers

SANS GICSP (Study Questions for SANS GICSP) - Exam Comprehensive Questions and Verified Answers - Get It 100% Accurate!!

1.	Access Control Models	Information Flow Non Interference Confidentiality of Stored Information - Bell-LaPadula (Mandatory Access Control) - Access Matrix (Read, Write or Execute or R/W/X) - Take-Grant (Rights = Create, Revoke, Take and Grant) Integrity of Stored Information - Biba Integrity Model (Bell-LaPadula upside down) - Clark-Wilson
2.	Mandatory Access Control (MAC)	Permissions to objects are managed centrally by an administrator. Is an access policy determined by the system, rather than by the owner. Organizations use this in multilevel systems that process highly sensitive data such as classified govt or military. Examples: 1) Rule-based, 2) Lattice Model
3.	Discretionary Access Control (DAC)	Is an access policy determined by the owner of a file (or other resource). The owner decides who's allowed access to a file and what privileges they have.
4.	Role Based Access Control (RBAC)	A method of implementing discretionary access controls in which access decisions are based on group membership, according to organization or functional roles.
5.	LDAP - Lightweight Directory Access Protocol	An Internet Protocol (IP) and data storage model that supports authentication and directory functions. It is a remote access authentication protocol. Vendors = Microsoft Active Directory, CA eTrust Directory, Apache Directory Server, Novell eDirectory, IBM SecureWay and Tivoli Directory Server, Sun Directory Server, OpenLDAP and tinyldap open source versions.

1/48

The warm feedbacks from our customers all over the world and the pass rate high to 99% on GICSP actual exam proved and tested our influence and charisma on this career. You will find that our they are the best choice to your time and money. Our GICSP Study Dumps have been prepared with a mind to equip the exam candidates to answer all types of GICSP real exam Q&A. For the purpose, GICSP test prep is compiled to keep relevant and the most significant information that you need.

Pass4Test provide you with a clear and excellent choice and reduce your troubles. Do you want early success? Do you want to quickly get GIAC Certification GICSP Exam certificate? Hurry to add Pass4Test to your Shopping Cart. Pass4Test will give you a good guide to ensure you pass the exam. Using Pass4Test can quickly help you get the certificate you want.

Only The Valdest Standard GICSP Answers Can Provide The Promise of Passing Global Industrial Cyber Security Professional (GICSP)

You can use GICSP guide materials through a variety of electronic devices. At home, you can use the computer and outside you can also use the phone. Now that more people are using mobile phones to learn our GICSP study materials, you can also choose the one you like. One advantage is that if you use our GICSP Practice Questions for the first time in a network environment, then the next time you use our study materials, there will be no network requirements. You can open the GICSP real exam anytime and

anywhere.

GIAC Global Industrial Cyber Security Professional (GICSP) Sample Questions (Q45-Q50):

NEW QUESTION # 45

What is the primary function of actuators in Level 0 of an ICS?

Response:

- A. To manage enterprise resource planning (ERP) systems
- B. To store historical data for long-term analysis
- C. To send commands to physical devices to perform actions
- D. To visualize process data for human operators

Answer: C

NEW QUESTION # 46

Which of the following technologies uses Secure Simple Pairing (SSP) to pair devices?

- A. WirelessHART
- B. Bluetooth
- C. ISA100.11a
- D. Zigbee

Answer: B

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

Secure Simple Pairing (SSP) is a security feature used in Bluetooth technology (B) to provide improved authentication and encryption during device pairing.

Zigbee (A), WirelessHART (C), and ISA100.11a (D) use different security mechanisms adapted to industrial wireless environments and do not use SSP.

GICSP training covers Bluetooth SSP as part of wireless security protocols.

GICSP Official Study Guide, Domain: ICS Security Architecture & Design

Bluetooth Core Specification (SSP)

GICSP Training on Wireless Security Protocols

NEW QUESTION # 47

What is a key security concern when using wireless technologies in an ICS environment?

Response:

- A. Susceptibility to eavesdropping and interception
- B. Inability to perform real-time monitoring
- C. Lack of device interoperability
- D. Limited bandwidth

Answer: A

NEW QUESTION # 48

During a plant upgrade an architect needs to connect legacy IEDs to a new TCP/IP instrumentation LAN. The IEDs only have RS-232 communication interfaces available. What would best be used to connect the IEDs?

- A. Engineering workstation
- B. Data diode
- C. Communications Gateway
- D. Industrial switch

Answer: C

Explanation:

Legacy devices using RS-232 interfaces require a communications gateway (C) to translate between the serial communication protocol and the new TCP/IP network.

A data diode (A) is a unidirectional security device, not a protocol translator.

An engineering workstation (B) is a computer, not a protocol conversion device.

An industrial switch (D) operates at the Ethernet layer and does not perform protocol conversion.

GICSP emphasizes gateways as essential for integrating legacy ICS devices into modern IP networks while maintaining protocol integrity.

Reference:

GICSP Official Study Guide, Domain: ICS Fundamentals & Architecture

NIST SP 800-82 Rev 2, Section 3.4 (Legacy Protocol Integration)

GICSP Training on ICS Network Architecture and Protocols

NEW QUESTION # 49

What is the primary objective of threat modeling in an ICS environment?

Response:

- A. To improve physical access controls
- B. To increase data transmission speed
- **C. To identify and assess potential threats to critical infrastructure**
- D. To create an inventory of all software assets

Answer: C

NEW QUESTION # 50

.....

Once you try our GICSP exam test, you will be motivated greatly and begin to make changes. Our study questions always update frequently to guarantee that you can get enough test banks and follow the trend in the theory and the practice. That is to say, our product boosts many advantages and to gain a better understanding of our GICSP question torrent. It is very worthy for you to buy our product. Not only can our study materials help you pass the exam, but also it can save your much time. What are you waiting for? Follow your passion and heart.
