### PRAXIS Praxis Business Education: Content Knowledge (5101) Exam Sample Questions (Q92-Q97):

#### NEW QUESTION # 92

Which of the following limitations of email is a barrier to clear communication?

- A. The recipient will not be able to judge non-verbal cues.
- B. The message cannot be shared with others.
- C. The message will not be accurately transmitted.
- D. The sender will not be able to make the message seem as courteous as in person.

#### Answer: A

Explanation:

Email lacks non-verbal cues, such as tone of voice or body language, which can lead to misinterpretation and hinder clear communication. Option A is incorrect, as email transmission is generally reliable. Option B is partially true but less significant than the absence of non-verbal cues. Option D is incorrect, as emails can be shared easily. This question falls under the Communication and Career Development category, emphasizing effective communication.

#### NEW QUESTION # 93

Which of the following is the primary purpose of job performance standards?

- A. To clarify the structure of an organization
- B. To identify the qualifications needed to hold a position
- C. To identify work expectations for the employee
- D. To define the goals to be accomplished by the employer

#### Answer: C

Explanation:

Job performance standards outline the expectations for an employee's work, specifying the quality, quantity, and timeliness of tasks. They guide employees in meeting job requirements and are used for performance evaluations. Option A (organizational structure) relates to organizational charts, not performance standards.

Option C (qualifications) pertains to job descriptions or hiring criteria. Option D (employer goals) is broader and not specific to individual employee performance. This question falls under the Communication and Career Development category, as it involves workplace expectations.

#### NEW QUESTION # 94

Which of the following is an example of a primary source?

- A. Studying a journal article

- B. Conducting an interview
- C. Reading a book
- D. Searching a website

**Answer: B**

Explanation:

A primary source provides firsthand information or original data, such as an interview, where the information comes directly from the source. Option A (journal article) is typically a secondary source, as it analyzes or interprets primary data. Option B (book) is usually secondary, unless it is an autobiography or original document. Option D (website) can contain primary or secondary information but is not inherently primary.

Conducting an interview directly gathers original data, making it a primary source. This question aligns with the Communication and Career Development category, emphasizing research and communication skills.

**NEW QUESTION # 95**

The vast majority of funds appropriated in the form of grants under the Perkins Act is awarded to which of the following entities?

- A. State education agencies
- B. School boards
- C. Early college high schools
- D. Career and technology schools

**Answer: A**

Explanation:

The Carl D. Perkins Career and Technical Education Act provides federal funding primarily to state education agencies, which then distribute funds to local schools and institutions for career and technical education programs. Option A (school boards) may receive funds indirectly. Option C (career and technology schools) and Option D (early college high schools) are specific recipients, not primary awardees. This question aligns with the Professional Business Education category, focusing on educational funding.

**NEW QUESTION # 96**

The interest rate on short-term loans that large banks charge their commercial borrowers who have excellent credit ratings is called the

- A. funds rate
- B. prime rate
- C. discount rate
- D. market rate

**Answer: B**

Explanation:

The prime rate is the interest rate that large banks charge their most creditworthy commercial borrowers for short-term loans. It serves as a benchmark for other lending rates. Option A (funds rate) refers to the federal funds rate, the rate at which banks lend to each other overnight. Option B (market rate) is a generic term and not specific to this context. Option C (discount rate) is the rate the Federal Reserve charges banks for short- term loans. The prime rate is a key concept in the Accounting and Finance category of the Praxis 5101 exam, as it relates to business financing and credit.
