## Salesforce Plat-Arch-206 Practice Test Prepare for Success

Many students often start to study as the exam is approaching. Time is very valuable to these students, and for them, one extra hour of study may mean 3 points more on the test score. If you are one of these students, then Plat-Arch-206 exam tests are your best choice. Because students often purchase materials from the Internet, there is a problem that they need transport time, especially for those students who live in remote areas. When the materials arrive, they may just have a little time to read them before the exam. However, with Plat-Arch-206 Exam Questions, you will never encounter such problems, because our materials are distributed to customers through emails. After you have successfully paid, you can immediately receive Plat-Arch-206 test guide from our customer service staff, and then you can start learning immediately.

## Salesforce Certified Heroku Architect Sample Questions (Q29-Q34):

### NEW QUESTION # 29

Universal Export wants to build an app that serves company data. The data has no strong compliance requirements, and the app should only be reachable from trusted IP addresses. Which solution should an Architect recommend?
