問題 #22

How does SAP Business Network support real-time order tracking and dispute resolution in retail? Note: There are 2 correct answers to this question.

- A. Simplifies manufacturing processes, strengthening coordination within the company
- B. Allows digital collaboration through connections with trading partners
- C. Increases operational efficiency through automation of internal financial processes
- D. Provides supply chain visibility for informed decision-making with partners

答案: B,D

解題說明:

Solution:

The two correct answers from learning.sap.com are:

* A. Allows digital collaboration through connections with trading partners SAP Business Network enables real-time collaboration and document exchange-purchase orders, confirmations, ship notices, invoices-with both SAP and non-SAP suppliers, allowing all parties to interact via a unified platform.

* C. Provides supply chain visibility for informed decision-making with partners It also integrates with Global Track & Trace to deliver real-time order tracking details-shipment status, ETAs, delays-and supports event-based communications to resolve disputes faster.

Options B and D are not emphasized in learning.sap.com's context for order tracking and dispute resolution in retail.

問題 #23

Which aspect of SAP Business Network helps ensure compliance during unplanned purchases?

- A. Automates supplier selection
- B. Enhances production efficiency
- C. Implements automatic auditing and budgeting rules
- D. Optimizes financial approaches

答案: C

解題說明:

Solution:

The correct answer based on learning.sap.com is:

* D. Implements automatic auditing and budgeting rules

The SAP Business Network for Procurement ensures compliance during unplanned purchases by leveraging configurable business rules and automated audit trails. These help enforce company policies around spend compliance, including change orders, price controls, contractual adherence, and handling non-PO invoices.

The other options (A, B, C) are not directly associated with compliance enforcement for unplanned purchases on that site.
