

Ind-Dev-201 Valid Practice Questions & Ind-Dev-201 Dump Collection

120:201 Foundations Cell Moled
Summer 2023/Prof. Cervantes

PRACTICE QUESTIONS FOR EXAM N° 1

- Here is a mix of several types of practice questions (match columns, fill-in-the-blank and open-ended short essays).
 - Exam 1 will consist of 50 multiple choice and multiple answer questions.
 - The questions in the exam will cover the content in class and these practice questions show you the depth of knowledge, understanding, and application that you should have to tackle the exam. Some topics discussed or covered in class are not on the study guide.
 - Please note that there are no answers to the questions here, but if you send email with [specific questions](#), I'll guide you to the answer.
1. Observe the video [Kaltura Course Gallery > 01.1 Developing Egg Cells \(mp4 file\)](#) in Canvas.
 - A. Can you justify the existence of an "animal pole" vs. a "vegetal pole" based on the rate of cell division in different parts of the embryo?
 - B. How easy is to distinguish an "animal pole" vs. a "vegetal pole" in a recently fertilized ovum (say, at the 2- or 4-cell stage)?
 - C. Other than nutrient accessibility, why does the embryo, then the tadpole, remain approximately at the same size as the unfertilized ovum?
- Observe the ["Development Video from NYT Article"](#) also in [Canvas > Modules > May 31 > Mouse Development and Microscope](#). You may consult the Graphic Abstract of McDole's paper and the McDole et al (2013) Cell paper in the same Module.
2. Between 24 and 48 h after fertilization, the mouse embryo undergoes gastrulation and the initial organogenesis processes. What kind of protein would be better suited for labeling all cells?
 - A. The DNA binding protein H2B (a histone)
 - B. Gastrulation-specific transcription factor
 - C. FoxA2, a protein expressed in the notochord
 - D. All of the above
 - E. None of the above
 3. Watch the movie [Kaltura Course Gallery > 01.1 \(mp4 file\)](#) in Canvas.
 - A. What is the physiological role of keratocytes in animal cells?
 - B. What intracellular structures allow the cells to form extensions and touch each other?
 - C. Cultured mammalian cells do not grow beyond the thickness of a one layer. What would you conclude if you observe cells in culture that grow thicker than one layer, even clumps?
 4. Currently, organisms are classified in Three Domains: Archaea, Bacteria and Eukarya. What are the main characteristics used to classify organisms in these three groups?
 5. The size of molecules is usually measured in _____, abbreviated _____ and equivalent to _____.
 - A. centimeters, cm, 10^{-2} m
 - B. millimeters, mm, 10^{-3} m
 - C. micrometers, μ m, 10^{-4} m
 - D. nanometers, nm, 10^{-9} m
 6. Cell length is usually measured in _____, abbreviated _____ and equivalent to _____.
 - A. centimeters, cm, 10^{-2} m
 - B. millimeters, mm, 10^{-3} m
 - C. micrometers, μ m, 10^{-4} m
 - D. nanometers, nm, 10^{-9} m
 7. The length of viruses and molecules are usually measured in _____, abbreviated _____ and equivalent to _____.
 - A. centimeters, cm, 10^{-2} m
 - B. millimeters, mm, 10^{-3} m
 - C. micrometers, μ m, 10^{-4} m
 - D. nanometers, nm, 10^{-9} m
 8. The _____ is made up of two concentric membranes and is continuous with the membrane of _____.
 - A. plasma membrane
 - B. Golgi network
 - C. mitochondrial membrane
 - D. nuclear envelope

If you want to pass your Ind-Dev-201 exam, we believe that our learning engine will be your indispensable choices. More and more people have bought our Ind-Dev-201 guide questions in the past years. These people who used our products have thought highly of our Ind-Dev-201 Study Materials. If you decide to buy our products and take it seriously consideration, we can make sure that it will be very easy for you to simply pass your exam and get the Ind-Dev-201 certification in a short time.

I think our Ind-Dev-201 test torrent will be a better choice for you than other study materials. We all know that most candidates will worry about the quality of our product, In order to guarantee quality of our study materials, all workers of our company are working together, just for a common goal, to produce a high-quality product; it is our Ind-Dev-201 Exam Questions. If you purchase our Ind-Dev-201 guide torrent, we can guarantee that we will provide you with quality products, reasonable price and professional after sales service.

Ind-Dev-201 Dump Collection & Pdf Ind-Dev-201 Pass Leader

There are a lot of excellent experts and professors in our company. The high quality of the Ind-Dev-201 study materials from our company resulted from their constant practice, hard work and their strong team spirit. After a long period of research and development, our Ind-Dev-201 study materials have been the leader study materials in the field. We have taken our customers' suggestions of the Ind-Dev-201 Study Materials seriously, and according to these useful suggestions, we have tried our best to perfect the Ind-Dev-201 study materials from our company just in order to meet the need of these customers well.

Salesforce Certified Industries CPQ Developer Sample Questions (Q294-Q299):

NEW QUESTION # 294

How is a time plan different from a time policy?

Note: This question displayed answer options in random order when taking this Test.

- A. A time plan can start on the date of purchase.
- B. A time plan is proratable.
- C. A time plan's start can be delayed.
- D. A time plan contains the duration of time for pricing to apply.

Answer: C

Explanation:

The key difference between a time plan and a time policy in Salesforce Industries CPQ is that a time plan's start can be delayed (C). This allows for greater flexibility in terms of when the pricing or terms associated with the time plan begin, accommodating scenarios where the start of service or the applicability of pricing needs to be aligned with specific events or dates.

NEW QUESTION # 295

A company creates a new product, as shown below.

Product A

- Selling Start Date: July 31, 2021
- Selling End Date: October 31, 2021
- FulfillmentStart Date: July 31, 2021
- End of Life Date: October 31, 2022

On November 22, 2021, which action can be taken on this product?

- A. Change
- B. Disconnect
- C. Move
- D. Add to Cart

Answer: B

Explanation:

For Product A with the given dates, by November 22, 2021, the product is past its Selling End Date but has not yet reached its End of Life Date. Therefore, the product cannot be added to a cart or modified since it's no longer available for new sales, but it can still undergo service-related actions. The appropriate action that can be taken is "Disconnect," as this action pertains to service or subscription-based changes, such as terminating or disconnecting a service that has been previously sold or activated, but is not yet at its end of life.

NEW QUESTION # 296

The Discount Duration field is applicable to which type of discount?

- A. Account-Based
- B. Contract-Based
- C. Order-Based

Answer: B

Explanation:

The Discount Duration field is applicable to a contract-based discount. This field is used to specify the length of time a discount will be applied under the terms of a contract. It helps in managing promotions or discounts that have a finite duration, ensuring that they automatically cease after the specified period. This setup is critical for maintaining accurate billing and revenue recognition practices over the duration of a customer contract.

NEW QUESTION # 297

Which two actions should the developer take to troubleshoot this issue?

Choose 2 answers

- A. Run Load API Metadata
- B. Run Product Hierarchy Maintenance
- C. Run EPCProductAttribJSONBatchJob
- D. Run Refresh Platform Cache

Answer: A,D

Explanation:

When a developer prepares to test the rule by running the API cache job and it fails, the likely properties causing the issue are: A. Code: Incorrect or problematic code can lead to failures in the API cache job, as it might not be able to interpret or execute the commands correctly. D. Values for caching: If the values specified for caching are incorrect or not properly defined, it can cause the cache job to fail due to misconfiguration or data errors.

Ensuring that the code is correct and the caching values are appropriately set is crucial for the successful execution of API cache jobs in Salesforce Industries CPQ.

NEW QUESTION # 298

In Vlocity Context Rules, where can you set the rule fail level?

Note: This question displayed answer options in random order when taking this Test.

- A. Rule Set
- B. Context Dimension
- C. Context Mapping
- D. Rule Condition

Answer: A

Explanation:

In Vlocity (Salesforce Industries CPQ), the "Rule Fail Level" setting is an option that can be configured within a Rule Set. This setting determines the severity of the response when a rule evaluation fails. Placing this setting within the Rule Set allows administrators to manage how rule failures impact the overall processing of rules in the context of the product configuration or pricing scenarios. This level helps in managing how errors are handled and propagated in the rule evaluation flow, ensuring that the system can gracefully handle different types of rule failures according to business needs.
