Latest XK0-006 Test Report Exam Pass Certify | XK0-006: CompTIA Linux+ Certification Exam

Obtaining CompTIA certification will let your resume shine and make a great difference to your career. But the preparation of CompTIA XK0-006 is long and difficult task. So choosing best study materials for XK0-006 Real Exam is necessary to every candidate. Latest braindumps from ExamDiscuss can help you pass exam with high passing score in a short time.

CompTIA Linux+ Certification Exam Sample Questions (Q39-Q44):

NEW QUESTION # 39

Users connecting to a MySQL database on a Linux system report frequent errors. An administrator reviews the following partial output of the `/proc/meminfo` and `free` commands:

Which of the following should the administrator do to ensure that the MySQL service will continue to run even if the system runs out of swap space? (Choose two.)

- A. Reload the `/etc/fstab` file by issuing the `mount -a` command.(Not sufficient alone)
- B. Issue the `sysctl -w vm.overcommit_ratio=100` command.
- C. Use disk quotas on the swap space to prevent MySQL from overutilizing the swap partition.
- D. Issue the `dd if=/dev/zero of=/swapfile bs=1024 count=65536` command.
- E. Issue the `sysctl -w vm.overconunit_memory=2` command.(Invalid key)
- F. Issue the `mkswap /dev/sda2; swapon -v /dev/sda2` command.

Answer: D,F

Explanation:

Creating a swap file with `dd if=/dev/zero of=/swapfile bs=1024 count=65536` allocates additional swap space that MySQL can use when RAM is exhausted.

Formatting and enabling a swap partition with `mkswap /dev/sda2`; `swapon -v /dev/sda2` brings another swap device online, further increasing the system's swap capacity.

NEW QUESTION # 40

A systems administrator attempts to edit a file as root, but receives the following error:

Which of the following commands allows the administrator to edit the file?

- A. `chattr -i /etc/resolv.conf`
- B. `chgrp root /etc/resolv.conf`
- C. `chmod 750 /etc/resolv.conf`
- D. `chown root /etc/resolv.conf`

Answer: A

Explanation:

The `lsattr` output shows the immutable (`i`) attribute set on `/etc/resolv.conf`. This prevents any modifications, even by root. Running `chattr -i` removes the immutable flag, allowing the administrator to edit the file.

NEW QUESTION # 41

Which of the following passwords is the most complex?

- A. `H3s@1dSh3t0ld`
- B. `HeSaidShetold`
- C. `H3sa1dt01d`
- D. `he$@ID$heTold`

Answer: A

Explanation:

This password is the most complex because it uses uppercase and lowercase letters, numbers, and multiple special characters, making it significantly harder to guess or brute-force compared to the others.

NEW QUESTION # 42

A Linux systems administrator needs to extract the contents of a file named `/home/dev/web.bkp` to the `/var/www/html/` directory. Which of the following commands should the administrator use?

- A. `unzip -c /home/dev/web.bkp /var/www/html/`
- B. `pushd /var/www/html/ && cpio -idv < /home/dev/web.bkp && popd`
- C. `tar -c -f /home/dev/web.bkp /var/www/html/`
- D. `cd /var/www/html/ && gzip -c /home/dev/web.bkp | tar xf -`

Answer: B

Explanation:

The `.bkp` file here is a `cpio` archive, not a `tar` or `zip`. The correct way to extract it is by changing into the target directory (`/var/www/html/`) and using `cpio -idv < /home/dev/web.bkp`. The `pushd` and `popd` commands ensure the administrator returns to the original directory afterward.

NEW QUESTION # 43

An administrator attempts to install updates on a Linux system but receives error messages regarding a specific repository. Which of the following commands should the administrator use to verify that the repository is installed and enabled?

- A. `yum repolist available`

- B. yum repo-pkgs
- C. yum list installed repos
- D. yum repolist all

Answer: D

Explanation:

The yum repolist all command lists all configured repositories along with their status (enabled or disabled), allowing the administrator to verify if the problematic repository is installed and active.

NEW QUESTION # 44

.....

IT certification exam cost is really large cost for most candidates in the whole world. Passing exam at first attempt will be everyone's goal. Now our CompTIA XK0-006 valid exam cram review can help you achieve your goal.
