질문 # 26

Choose which one statement consists of an example of an unclear and ambiguously drafted Particular Conditions.

- A. Provisions of the General Conditions are deleted and replaced in the Particular Conditions solely by the words "not used".
- B. Clarifications to the meaning of tender documents together with answers to tenderers' inquiries made during the tender period by the Employer should be e-mailed in a Excel table in both PDF and XLS file format.
- C. All deletions of a General Conditions are replaced with new Particular Conditions that cover the same scope.
- D. The clarifications to the Contract given during the tender period are never to be attached to the Contract, as such clarifications are reflected by amending the Particular Conditions.

정답: A

설명:

The use of vague phrases such as "not used" in Particular Conditions to delete provisions of the General Conditions without replacement or explanation leads to ambiguity and unclear contractual obligations. Such drafting can cause confusion as it fails to clarify whether the deleted provisions are simply not applicable or replaced by other terms. This practice is discouraged because it creates legal uncertainty and possible disputes regarding the rights and responsibilities of the parties.

Option A exemplifies this problem, as it deletes General Conditions clauses without specifying alternatives or clarifications.

Option B is a good practice where deletions are replaced by well-defined clauses to maintain contract balance.

Option C describes a clear method of issuing clarifications, promoting transparency and traceability.

Option D is consistent with standard practice, where clarifications during tender are formalized by contract amendments.

질문 # 27

Which one of the following is NOT considered a change made in the 2017 edition of the FIDIC Red, Yellow, and Silver Books?

- A. A fair and balanced approach where risk is allocated to the Party that is best able to bear and control that risk.
- B. The concentration on dispute avoidance, including an enhanced role for the Dispute Avoidance and Adjudication Board (DAAB) in this respect, and promoting cooperation between the parties during the project.
- C. New procedures requiring the Contractor to prepare and implement a Compliance Verification System to show that the design, materials, workmanship and certain other matters all comply.
- D. New procedures requiring the Contractor to prepare and implement a Quality Management System to show compliance with the Contract requirements.

정답: C

설명:

Comprehensive and Detailed Explanation:

Option D is not a new procedure introduced in the 2017 FIDIC editions.

The 2017 editions focus on dispute avoidance (A), quality management systems (B), and fair risk allocation (C), but do not explicitly require a Compliance Verification System as described.

질문 # 28

Both FIDIC Silver Book (SB) and Yellow Book (YB) (edition 1999) mention the Contractor scrutinising the Employer's Requirements. Which statement is correct?

- A. Scrutinising in FIDIC Yellow Book 1999 and Silver Book 1999 means that the Contractor must ask the Employer to check the Employer's Requirements very well to see if the Works can be built on that location according to the Employer's Requirements.

- B. Scrutinising in FIDIC Yellow Book 1999 means the same as in FIDIC Silver Book 1999. In both models it means that after the contract closes and before starting the actual making of the design, the Contractor has to read the Employer's Requirements very thoroughly and check on any errors, omissions or conflicts.
- C. Scrutinising in FIDIC Silver Book 1999 means that the Contractor should read the Employer's Requirements very thoroughly after the contract closes and see if the Employer's Requirements is complete or if something is missing.
- D. Scrutinising in FIDIC Yellow Book 1999 means that the Contractor has the opportunity after contract close to report on any errors, mistakes or conflicts in the Employer's Requirements. In the FIDIC Silver Book 1999 scrutinising provides that obligation during the tender period; Contractor has the opportunity to report on any errors, mistakes or conflicts in the Employer's Requirements and for Employer to change it; for after contract closes this is not a duty anymore of Employer.

정답: D

설명:

Comprehensive and Detailed Explanation:

Option D correctly captures the difference between Yellow and Silver Books (1999):

In the Yellow Book, the Contractor may raise concerns after contract close.

In the Silver Book, the Contractor must scrutinize and report on Employer's Requirements during the tender period, and after contract close this duty lapses.

Other options misunderstand timing or scope of scrutiny.

질문 # 29

Under the FIDIC Red Book (edition 1999), if the Contractor as per Sub-Clause 14.2 has to ensure the Employer receives an Advance Payment Guarantee as per the standard model, what type of instrument should this be?

- A. A declaration of joint and several liability
- B. A bank guarantee
- C. A parent company guarantee
- D. A surety bond

정답: B

설명:

According to FIDIC Red Book 1999, Sub-Clause 14.2, the Advance Payment Guarantee must be a bank guarantee issued by a reputable bank acceptable to the Employer. This bank guarantee serves as security to ensure that the advance payment made by the Employer will be repaid if the Contractor fails to fulfill contractual obligations. The bank guarantee is a commonly used, reliable instrument providing direct financial assurance to the Employer.

Other instruments like surety bonds or parent company guarantees may be acceptable only if explicitly agreed, but the standard requirement is a bank guarantee.

Declaration of joint and several liability is not a typical form of guarantee for advance payments.

질문 # 30

Through which two of the following documents may the Employer give information to the Contractor of a planned timetable of meetings such as management meetings, site meetings, technical meetings, and progress meetings?

Choose all of the correct answers (multiple possibilities).

- A. Employer's Requirements
- B. Specification
- C. Special Conditions
- D. General Conditions of Contract

정답: A,C

설명:

The timetable for meetings is usually set out in the Special Conditions (Particular Conditions) and/or the Employer's Requirements, which define project-specific administrative and management arrangements.
 Special Conditions customize the General Conditions to the project and often specify meeting schedules.
 Employer's Requirements detail the Employer's expectations, including communication protocols and meeting timetables.
 The General Conditions (Option A) are standard and do not include project-specific meeting schedules.
 The Specification (Option B) mainly covers technical requirements, not administrative matters like meetings.
