OCEG GRC Professional Certification Exam Sample Questions (Q146-Q151):

NEW QUESTION # 146

Which Critical Discipline of the Protector Skillset includes skills to constrain activities and set direction?

- A. Governance & Oversight
- B. Risk & Decisions
- C. Compliance & Ethics
- D. Audit & Assurance

Answer: A

Explanation:

The Governance & Oversight discipline focuses on constraining activities through policies, controls, and decision frameworks while setting direction to align with organizational objectives.

* Constraining Activities:

* Governance ensures that activities are within legal, ethical, and operational limits through policies, procedures, and oversight mechanisms.

* Setting Direction:

* Leadership establishes the strategic vision and guides the organization toward achieving long-term goals while adhering to its core values.

* Oversight Role:

* Oversight bodies like boards of directors and compliance committees monitor organizational performance and enforce accountability.

References:

* COSO ERM Framework: Emphasizes governance's role in directing and constraining activities.

* NIST RMF: Highlights governance as a critical factor in risk and compliance management.

NEW QUESTION # 147

What is the purpose of implementing policies within an organization?

- A. To reduce the need for defined procedures and guidelines within the organization.
- B. To have individual regulation-specific policies instead of a generic Code of Conduct.
- C. To meet regulatory requirements and establish compliance.
- D. To set clear expectations of conduct for key internal stakeholders and the extended enterprise.

Answer: D

Explanation:

Policies serve as essential tools within an organization to set clear expectations for behavior, actions, and decision-making.

* Primary Purpose:

* Establish clear expectations of conduct for employees, contractors, vendors, and other stakeholders.

* Provide guidance on acceptable behavior and operational standards across the organization.

* Significance:

* Policies align stakeholder actions with organizational values and objectives.

* They act as a foundation for procedures, controls, and compliance initiatives.

* Why Other Options Are Incorrect:

* B: While policies support compliance, their scope extends beyond regulatory requirements.

* C: Policies do not eliminate the need for procedures; they complement them.

* D: Generic policies like Codes of Conduct are essential, even with regulation-specific policies.

References:

* ISO 37301 (Compliance Management Systems): Emphasizes policies for setting conduct expectations.

* COSO ERM Framework: Highlights policies as governance tools for consistent behavior.

NEW QUESTION # 148

Which category of actions & controls in the IACM includes formal statements and rules about organizational intentions and expectations?

- A. Information
- B. People
- C. Technology
