Salesforce Certified Experience Cloud Consultant Sample Questions (Q83-Q88):

NEW QUESTION # 83
No More Homelessness (NMH) and DreamHouse Realty (DR) are working to provide free housing to low-income seniors. Social workers at NMH need to access records owned by realtors at DR.
What should the Experience Cloud consultant recommend for record sharing?

- A. Sharing Rule
- B. Sharing Set
- C. Super User
- D. Role Hierarchy

Answer: A

Explanation:
Sharing rules allow you to extend sharing access to users in public groups, roles, or territories. You can use sharing rules to share records owned by realtors at DR with social workers at NMH, based on criteria such as record type, field value, or ownership.

NEW QUESTION # 84

Northern Trail outfitters (NTO) aims to provide personalization by encouraging its individual customers to self-register in its B2C Experience site. NTO is not looking to create a placeholder account.

NTO Experience consultant has set up self-registration in its Login and Registration pages. NTO's site manager has configured the Allow external users to self-register" option. NTO uses Customer Community Plus Licenses.

Which two steps are needed to complete self-registration in NTO's Experience site?

Choose 2 answers

- A. Contact Salesforce Customer Support to enable Communities Self Registration Controller.
- B. Ensure that the Account field is empty in the registration section.
- C. Contact Sales customer Support to enable Person Accounts.
- D. Ensure that the Contact field is empty in the registration section.

Answer: B,C

Explanation:

To complete self-registration in NTO's Experience site without creating a placeholder account, NTO needs to take two steps:

* Ensure that the Accountfield is empty in the registration section. This will allow NTO to create individual customers without associating them with an account.

* Contact Sales customer Support to enable Person Accounts. Person Accounts are a feature that allows NTO to store information about individual customers in a single record, instead of using separate account and contact records. NTO needs to contact Salesforce Customer Support to enable Person Accounts in its org.

NEW QUESTION # 85

Zephyrus Relocation Services (ZRS) plans to build a portal for its partners. The portal needs to show company information and brand details on the Account Management page.

Which templates shouldZRS consider to build the portal?

Choose 2 answers

- A. Customer service
- B. Build Your Own
- C. Help Center
- D. Partner Central

Answer: B,D

Explanation:

Partner Central and Build Your Own are two templates that ZRS can consider to build the portal for its partners. Partner Central is a template that is designed for managing partner relationships, such as recruiting, onboarding, training, and co-selling. Build Your Own is a template that allows you to create a custom site using Lightning Web Components and other web standards.

- C. The Partner user who created the case, their peers in the Partner user role, those in the Partner manager role above them, those in the Partner user role in the partner account, and those in the partner Manager role in the parent account.
- D. The partner user who created the case, their peers in the partner user role, those in the partner Manager role above them, and those in the Partner Manager role in the parent account.

Answer: C

Explanation:

The members that will be able to see the Rich Content Editor component are those that are part of both the New York City

audience and the Legal Department audience. Audience targeting is a feature that allows you to display pages and components to certain users based on their assigned audience. An audience is a group of users who share common attributes, such as profile, location, or language. When you assign an audience to a page or a component, only the users who belong to that audience can see it. If you assign multiple audiences to a page or a component, only the users who belong to all of those audiences can see it.

NEW QUESTION # 87

Ursa Major Solar would like the navigation menu in the customer portal to be vertical.
Which two options make this possible?
Choose 2 answers

- A. Fix the header's Position.
- B. Edit the default navigation
- C. Download an app from AppExchange
- D. Write custom code

Answer: C,D

Explanation:
Two options that make it possible to have a vertical navigation menu in the customer portal are B and D. A navigation menu is a component that allows users to navigate through different pages and sections of your Experience Cloud site. By default, the navigation menu is horizontal, but you can change it to vertical by using different options. One option is to download an app from AppExchange, which is a marketplace where you can find and install apps, components, and solutions for your Experience Cloud site. Another option is to write custom code, which allows you to create your own custom components and layouts for your Experience Cloud site.
