Additional Information

Further information on some resources who could be involved in the project:

Outcome Account Manager: He represents Outcome which is a recruitment agency that provides specialist outsourcing resources.

Outcome provided the consultants who carried out the feasibility study and the same consultants will be providing support and guidance to the Information Technology and Facilities teams during the project.

Director of Finance Division: She was transferred from the Information Technology Division 12 months ago. She is responsible for ensuring a cost-conscious approach is adopted in all operational and project activities across the Ministry of Food Hygiene.

Hardware Manager: Reports to the Director of Information Technology. He provides computer hardware to all business functions but has little awareness of the needs of his colleagues working in software.

Payroll Manager: Reports to the Director of Finance. He is a very experienced and efficient qualified accountant who has much of the responsibility of running the Finance Division on behalf of the Director of Finance. He has been involved in drafting the Ministry's business strategy and assisting in a full business risk assessment. He also drafted the corporate Business Case standards.

NEW QUESTION # 37

A change authority has been appointed for the project. During the development of the 'classroom-based training material', a large number of changes were proposed to the design of the 'e-learning course'. Therefore, the change authority has decided to use the Moscow technique to prioritize changes based on the impact they will have on completing each stage on time.

Is this an appropriate application of the Moscow technique, and why?

- A. No, because it should define scope tolerances, supporting the management by exception principle.
- B. No, because it should be used to prioritize change based on the project's business justification.
- C. Yes, because it is a prioritization technique that should be used to prioritize a product's quality criteria.
- **D. Yes, because it should be used to prioritize change based on the estimated impact on time.**
