# PRINCE2 7 Foundation written Exam Sample Questions (Q117-Q122):

**NEW QUESTION # 117**
Which statement about the length of management stages in a project is CORRECT?

- A. Use of management stages represents a time driven control
- B. A higher level of major risk will require a stage to be longer
- C. Stage length is influenced by project board availability
- D. A higher level of major risk will require a stage to be shorter

**Answer: C**

Explanation:
The length of management stages in a PRINCE2 project can be influenced by the availability of the project board to review and approve key decisions at stage boundaries. This ensures that stages are planned around when decision-makers can participate and provide necessary guidance or approvals.
