最新的 CIPS Level 5 Advanced Diploma in Procurement and Supply L5M8 免費考試真題 (Q87-Q92):

問題 #87

Darryl is a Project Manager at CCC Company and has been tasked to introduce a change. The change will be brought about incrementally and Darryl has been chosen to lead on this due to his expertise in the subject matter. The Company is hoping that due to Darryl's credibility, the staff at CCC will embrace the proposed changes. What type of 'change agent' is Darryl?

- A. transformer
- B. enforcer
- C. specialist
- D. independent

答案： C

解題說明:

In CIPS L5M8, change agents include types such as specialist (selected for subject-matter expertise and credibility), enforcer (uses authority), transformer (visionary catalyst), and independent (external/neutral).

Darryl is chosen because of his expertise and credibility to bring colleagues on side - this aligns with the specialist profile.

問題 #88

Claude is a manager at Sunnyside Ltd and wishes to run a small project in the procurement department. The project will initiate a small incremental change and will have a short timescale. Because of the size of the project Claude doesn't believe he will need to assign an Executive to the project. Is this correct?

- A. yes - executives are only required for high-profile or far-reaching projects
- B. yes - executives are only required for long-term projects
- C. no - Claude is the Executive of the project
- D. no - an Executive should still be assigned and communicate regularly

答案： D

解題說明:

The guide emphasises that an Executive role should still be assigned and engaged even on small/simple projects, maintaining communication with the Project Manager; they are jointly the most important roles.

問題 #89

Which of the following best describes outsourcing?

- A. an organization selling its products in a market outside its domestic market
- B. an organization's use of virtual teams with employees located in different countries
- C. an organization's acquisition of goods and services from an outside source
- D. an organization setting up manufacturing and retailing facilities in a new country

答案： C

問題 #90

Yes Ltd is a consultancy organisation running many projects simultaneously. Fiona, the CEO, claims that all projects should use project management software. Is this correct?

- A. no - the use of software may not be required for smaller projects
- B. no - software should never be used as a project management tool
- C. yes - software will ensure projects are delivered to timescales and budgets
- D. yes - all projects require the use of software to track data

答案： A

解題說明：

The guide explains that software should only be used if it adds value to project control and efficiency. For small, low-complexity projects, it might be unnecessary or uneconomical.
