Explanation

You might mention lack of public participation in the process in your report or introduction to the plan. Suppose you learn that there was a lengthy and involved process of public participation in developing an open space plan less than a year ago and that information gathered in that process will be used to create the recreation plan. You might mention the lack of public participation in the process in your report but might also include information about the process that occurred less than a year ago and explain how that process did (or did not) influence this decision.

- B. At least 2,500 but less than 50,000 and a population density of 1,000 persons per square mile

NEW QUESTION # 107

The AICP Ethics Officer is authorized by the AICP Code of Ethics to do which of the following?

- A. Make minor revisions to the AICP Code of Ethics
- B. Issue formal advisory opinions
- **C. Provide informal advice to a member**
- D. Provide written advice to a member

Answer: C

Explanation:

The AICP Code of Ethics (2022), Section E, Procedure 3, states, "The Ethics Officer may provide informal advice to members on ethical questions." Option B (provide informal advice) is correct. Option A (written advice) is not specified-formal written advice is typically an advisory opinion, which only the Ethics Committee can issue (Option D). Option C (make revisions) is not within the Ethics Officer's authority; revisions require broader AICP governance. Option D (formal advisory opinions) is incorrect, as Section E, Procedure 4, reserves this for the Ethics Committee. The CPC Study Manual (2024) confirms, "The AICP Ethics Officer is authorized to provide informal advice to members, but formal opinions are issued by the Ethics Committee," supporting option B.
