- B. Blue should consider Green's expected purchasing pattern and method of payment in determining whether to accept the transaction.
- C. Blue does not need to undertake any specific due diligence procedures for this transaction.
- D. Blue only needs to undertake due diligence procedures if Green is requesting to pay on credit.

Answer: B

NEW QUESTION # 43

Which of the following statements regarding recommended vendor due diligence procedures is MOST ACCURATE?

- A. An organization should ensure that vendors have their own ethics and compliance program before engaging in any transactions with them.
- B. An organization should request that new vendors complete a questionnaire about their background immediately after signing a contract with them.
- C. An organization should perform audits of potential vendors before agreeing to conduct business with them.
- D. An organization should avoid revealing that it is seeking information about potential vendors prior to starting its relationship with them.

Answer: A

Explanation:

Comprehensive and Detailed in Depth Explanation:

A key element of vendor due diligence is ensuring that third-party vendors have robust ethics and compliance programs. This helps align values, mitigate fraud risks, and establish clear expectations. While audits and questionnaires are good practices, they are not always mandatory or feasible before engagement. Moreover, transparency in seeking vendor information (unlike in A) is a norm in legitimate vetting practices.

NEW QUESTION # 44

Which of the following statements is FALSE regarding an organization's fraud risk management program?

- A. Formal sanctions for intentional noncompliance should be determined and enacted privately
- B. The punishment for intentional noncompliance should be carried out in a consistent and firm manner.
- C. The program must include mechanisms to address breaches in compliance.
- D. A specific individual or team should be designated as responsible for monitoring compliance with the program

Answer: A

Explanation:

* Fraud Risk Management Program Requirements:

* Effective fraud risk management programs ensure transparency, consistency, and fairness.

* Sanctions for noncompliance should be transparent and communicated to demonstrate a commitment to accountability.

* Analysis of Options:

* A. Mechanisms for breaches: Necessary to address compliance issues.

- * B. Consistent and firm punishment: Ensures a deterrent effect.
 - * D. Designated compliance monitors: Vital for program enforcement.
 - * C. Enacted privately: This is false because transparency is essential to maintain trust and deter similar actions.
