Microsoft 365 Fundamentals 認定 MS-900 試験問題 (Q260-Q265):

質問 # 260

You are the Microsoft 365 administrator for a company. The company plans to upgrade client operating systems to Windows 10. You need to explain the concepts of Windows as a Service (WaaS) to the management team.

Match each term to its definition. To answer, drag the appropriate terms from the column on the left to its definitions on the right.

Each term may be used once, more than once, or not at all.

NOTE: Each correct selection is worth one point.

Terms	Definition	Term
Windows Insider previews	Early build that are released to the public during the feature-development phase	
Servicing channels	A method for controlling the frequency at which organizations deploy Windows 10 features	
Deployment rings	A method of gradually deploying Windows 10 features by using multiple sets of targeted devices	

正解:

解説:

Terms	Definition	Term
Windows Insider previews	Early build that are released to the public during the feature-development phase	Windows Insider previews
Servicing channels	A method for controlling the frequency at which organizations deploy Windows 10 features	Servicing channels
Deployment rings	A method of gradually deploying Windows 10 features by using multiple sets of targeted devices	Deployment rings
