LISTENING TEST

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in your test book.

PART 1

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Example

Sample Answer

Ⓐ ● Ⓒ Ⓓ

Statement (B), "They're looking at the document," is the best description of the picture, so you should select answer (B) and mark it on your answer sheet.

NEW QUESTION # 143

Look at the figure of nested ovals labeled A, B and C (context and scope diagram). Which option best matches these labels?

- A. A - Environment; B - Context boundary; C - System scope
- **B. A - Context boundary; B - Context; C - Scope of the system**
- C. A - Environment; B - Context boundary; C - Scope of the system
- D. A - Context boundary; B - Context; C - System

Answer: B

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

In the CPRE context figure, the outer oval represents the application domain; the inner grey region denotes the scope of the system (things that can be designed), and an intermediate ring indicates the system context.

The line separating relevant from irrelevant parts of the environment is the context boundary. Label A is on this boundary. Label B points to the context area between boundary and system, and label C points to the grey scope region. Thus, the correct mapping is A - context boundary, B - context, C - system scope.
