1Y0-205 Study Material & 1Y0-205 Latest Exam Online

Don't let the 1Y0-205 exam stress you out! Prepare with Lead2Passed 1Y0-205 exam dumps and boost your confidence in the real 1Y0-205 exam. We ensure your road towards success without any mark of failure. Time is of the essence - don't wait to ace your 1Y0-205 Certification Exam! Register yourself now.

Citrix Virtual Apps and Desktops Administration Sample Questions (Q27-Q32):

NEW QUESTION # 27
A Citrix Administrator is concerned about the TCP overhead associated with Citrix HDX connections. There are concerns about latency and TCP overhead associated with setting up a connection to Virtual Delivery Agent (VDA) resources. What technology should be deployed to move connections to UDP and improve the quality of the user experience?

- A. Microsoft Teams Optimization
- B. Browser Content Redirection
- C. HDX Adaptive Transport
- D. Citrix Optimizer

Answer: C

Explanation:
HDX Adaptive Transport uses Citrix's Enlightened Data Transport (EDT) protocol, which runs over UDP instead of TCP. This reduces latency, minimizes TCP overhead, and improves the quality and responsiveness of HDX sessions, especially in high-latency or lossy network conditions.

NEW QUESTION # 28
What is the minimum permission a Citrix Administrator can grant to an IT manager to access Citrix Studio?

- A. Machine Catalog Administrator
- B. Host Administrator
- C. Read Only Administrator
- D. Delivery Group Administrator

Answer: C

NEW QUESTION # 29
A Citrix Administrator wishes to deploy catalogs of machines using Machine Creation Services.
Which two things must be configured and setup to accomplish this? (Choose two.)

- A. Citrix Policies
- B. Citrix Delivery Controller
- C. Hosting Connection
- D. NetScaler Gateway
- E. Citrix StoreFront

Answer: B,C

Explanation:
To deploy machine catalogs with Machine Creation Services (MCS), a hosting connection (to the hypervisor or cloud environment) must be configured to provide resources, and a Delivery Controller must be available to manage provisioning and brokering of the machines.

NEW QUESTION # 30
A Citrix Administrator is looking to provide apps and desktops to users. Project requirements dictate that management and maintenance should be minimized for the administrator, while still maintain control of the Virtual Delivery Agent (VDA machines). (Choose three.)

- A. Nutanix Acropolis
- B. Microsoft HyperV
- C. Microsoft Azure
- D. Amazon Web Services
- E. XenServer
- F. Google Cloud Platform

Answer: C,D,F

Explanation:
Using public cloud platforms such as AWS, GCP, or Azure with Citrix Cloud services minimizes infrastructure management and maintenance for the administrator, while still providing control over the VDA machines. The cloud provider handles most of the underlying infrastructure, reducing administrative overhead.

NEW QUESTION # 31
A Virtual Delivery Agent (VDA) is unable to register with the Delivery Controller.
Which three factors could be causing this issue? (Choose three.)

- A. Improperly configured firewalls
- B. Incorrectly configured Citrix policy in Active Directory
- C. Citrix ICA service NOT running
- D. Incorrectly configured reverse DNS lookups in a forest
- E. Time differences between VDA-enabled machines and the Domain Controller

Answer: A,C,E

Explanation:
Improperly configured firewalls can block communication between the VDA and Delivery Controller.
Time differences greater than 5 minutes between the VDA and Domain Controller can prevent Kerberos authentication, leading to registration failure.
The Citrix ICA service (BrokerAgent) must be running for the VDA to register; if stopped, registration will fail.

NEW QUESTION # 32
.....

According to the years of the test data analysis, we are very confident that almost all customers using our products passed the exam, and in o the 1Y0-205 study materials, with the help of their extremely easily passed the exam and obtained qualification certificate. We firmly believe that you can do it! Therefore, the choice of the 1Y0-205 Study Materials is to choose a guarantee, which can give you the opportunity to get a promotion and a raise in the future, even create conditions for your future life.
