Choose all of the correct answers (multiple possibilities).

- A. ... is not a compulsory obligation, but "highly recommended".
- B. ... is always compulsory together with a clear indication of the relevant Sub-Clause under which the Notice is being served.
- C. ... is intended for written communications, in full compliance with the formal requirements outlined in the dedicated Sub-Clause.
- D. ... is a special obligation for the Engineer only, in order to enable him/her to manage the implementation of the contract.

正解: B、C

解説:

Option B is correct: Notices are compulsory when required and must reference the relevant Sub-Clause to be valid.

Option D is correct: Notices are formal written communications and must comply with the contract's prescribed procedures.

Option A is incorrect; notices are often mandatory, not merely recommended.

Option C is incorrect; notices are obligations for all Contract Participants, not just the Engineer.

### 質問 # 33

Which two of the following statements are correct, regarding the Programme under FIDIC Red, Yellow and Silver Books (edition 2017)?

Choose all of the correct answers (multiple possibilities).

- A. The Programme is a contract document, and thus, considered binding on the Parties.
- B. The Contractor is required to proceed in accordance with the Programme and the Employer's Personnel shall be entitled to rely upon the Programme in planning their activities.
- C. Nothing in any Programme will relieve the Contractor from any obligations to give contractual notice under the Conditions of Contract.
- D. The Engineer/Employer is not required to review the Programme, and also not required to inform the Contractor if the Programme does not comply with the Contract.

正解: B、C

解説:

Comprehensive and Detailed Explanation:

Option A is correct: The Contractor must proceed according to the approved Programme, and the Employer's personnel rely on the Programme for coordinating their activities.

Option B is correct: Submission and approval of the Programme do not relieve the Contractor of the obligation to give timely notices for delays or other events as required under the contract (e.g., notices under Sub-Clause 8.4).

Option C is incorrect because the Programme is not strictly a contract document binding parties in the legal sense; it is a working tool to manage and monitor progress.

Option D is incorrect; the Engineer/Employer must review the Programme and notify the Contractor if it does not comply, per contract clauses.

- B. The Contractor shall revise the Programme only by request from the Engineer or the Employer (in case of FIDIC Silver Book).
- C. To accurately reflect the actual progress of the Works, but only if any Programme ceases to reflect actual progress with at least 42 days.
- D. ### 質問 # 35

Before applying the procurement process of any FIDIC Book, the Employer should always check if there are local procurement rules that also apply. Which one of these responses is correct?

- A. No, because Employers never have specific procurement rules.
- B. No, because the FIDIC procurement process is universal.
- C. Yes, but this is only applicable for public entities like governments. If the Employer is a private organisation (like a company), they are free to procure how they want.
- **D. Yes, based on the law system, internal governance or type of Employer additional procurement rules can apply.**

正解: D

解説:

Local procurement laws, regulations, and internal governance rules often apply in addition to or alongside FIDIC contract provisions. Employers, whether public or private, must comply with applicable national or sector-specific rules, which may affect procurement procedures, documentation, and contract award processes.

Option C is correct because procurement requirements depend on local legal systems, the nature of the Employer, and applicable governance.

Option A is incorrect as FIDIC contracts provide contractual frameworks but do not override local legal obligations.

Option B is incorrect because many Employers have procurement policies.

Option D is incorrect since private entities may also be subject to procurement laws or internal policies.

- B. Each Provisional Sum shall not be used, in whole or in part, in accordance with instructions from the Engineer.
- C. The Provisional Sum cannot be issued by instruction either by the Engineer (or Employer in case of FIDIC Silver Book).

正解: A

解説:

Comprehensive and Detailed Explanation:

Option B is correct. Under FIDIC contracts, the Contractor must provide proof of how the Provisional Sum has been expended when requested by the Engineer. This ensures transparency and proper use of funds allocated as Provisional Sums.

Option A is incorrect; Provisional Sums are often used based on instructions from the Engineer or Employer.

Option C is incorrect because Provisional Sums are precisely intended to be used, in whole or in part, according to Engineer's or Employer's instructions.
