The Microsoft PL-200 Exam is conducted online and consists of 40-60 multiple-choice questions that must be completed within 150 minutes. The candidate must score at least 700 out of 1000 to pass the exam. Microsoft Power Platform Functional Consultant certification is valid for two years, after which the candidate must recertify to keep the certification up to date. Overall, the Microsoft PL-200 certification is an excellent way for professionals to showcase their skills and expertise in the Microsoft Power Platform and advance their careers as functional consultants.

Integrating Power Apps with Other Services and Apps

This is the last topic that candidates must cover when preparing for PL-200 exam. It confirms if one has the skills related to integrating Power BI with Power Apps, implementing the AI builder, and integrating the Power Apps with Microsoft 365. Here, one should demonstrate the ability to filter data, publish dashboards and reports, test and train models, perform the configuration of the app policies, and others.
