- B. Draft mode in Test
- C. Published to Production but has been modified
- D. Archived in Production

Answer: A

This status confirms that the Shuttle has been successfully deployed without subsequent modifications or archiving.

The other options are incorrect:

* Draft mode in Test(A) would show a different icon (e.g., gray or yellow) in the Test environment.

* Archived in Production(B) would show an archived status, not a green circle.

* Published but modified(C) would display a modified indicator, not a full green circle.

Extract from Official WalkMe Documentation:

According to the WalkMe Editor User Guide (SAP WalkMe Digital Adoption Consultant Study Guide, Section 1.10: Publishing and Status):

"A full green circle in the Production environment indicates that the content item, such as a Shuttle, is published and active for end users." The course Getting Started with Building WalkMe Solutions states:
