- B. Reliability
- C. Bias
- D. Validity

Answer: C

NEW QUESTION # 142

When promoting quality improvement plans, the quality manager should take which of the following actions first?

- A. Perform a benchmarking study
- **B. Obtain senior management support**
- C. Obtain information about competitor processes
- D. Perform a market growth analysis

Answer: B

Explanation:

The ASQ Certified Manager of Quality/Organizational Excellence Handbook emphasizes the importance of senior management support in quality improvement efforts. Without the backing of senior leaders, it becomes challenging to allocate resources, implement changes, and drive organizational commitment to quality. Senior management support ensures that quality initiatives receive the necessary attention, resources, and alignment with strategic goals. It also facilitates communication and collaboration across different levels of the organization, fostering a culture of continuous improvement¹.
