Cisco Implementing and Operating Cisco Security Core Technologies Sample Questions (Q464-Q469):

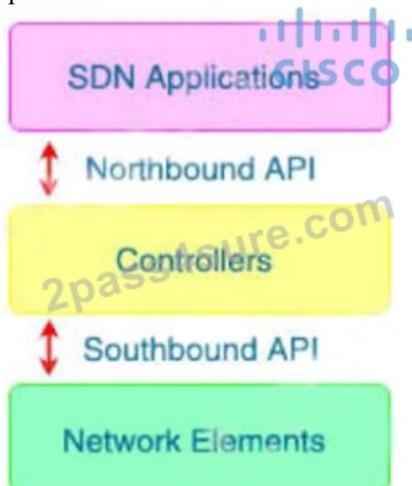

NEW QUESTION # 464

With which components does a southbound API within a software-defined network architecture communicate?

- A. appliances
- B. devices such as routers and switches
- C. controllers within the network
- D. applications

Answer: B

Explanation:

The Southbound API is used to communicate between Controllers and network devices.

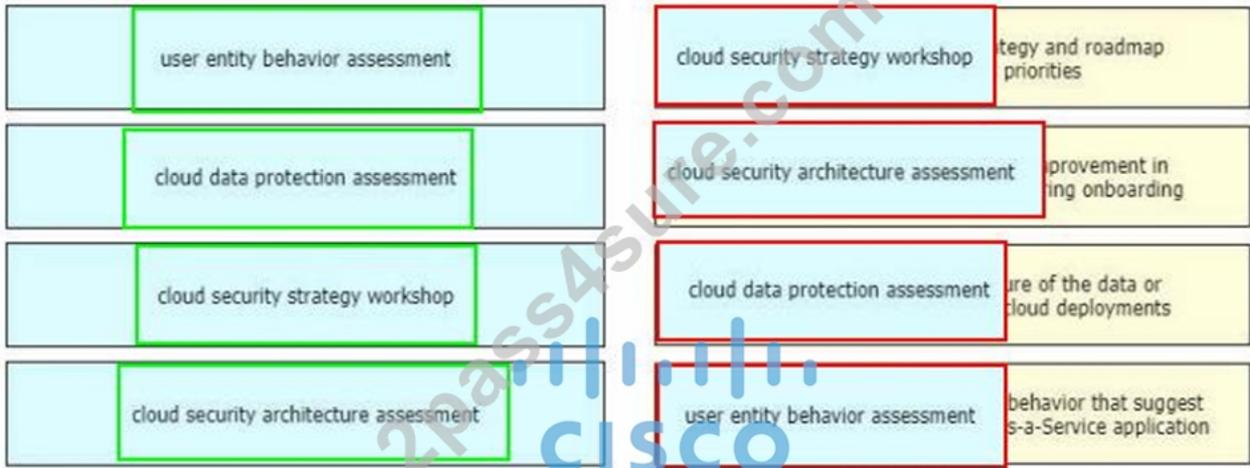

NEW QUESTION # 465

Drag and drop the cloud security assessment components from the left onto the definitions on the right.

user entity behavior assessment	develop a cloud security strategy and roadmap aligned to business priorities
cloud data protection assessment	identify strengths and areas for improvement in the current security architecture during onboarding
cloud security strategy workshop	understand the security posture of the data or activity taking place in public cloud deployments
cloud security architecture assessment	detect potential anomalies in user behavior that suggest malicious behavior in a Software-as-a-Service application

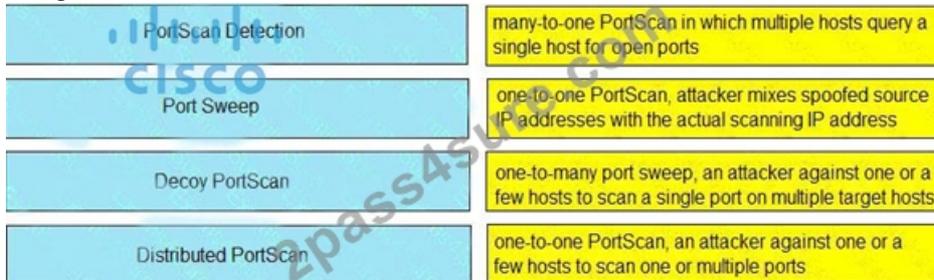

Answer:

Explanation:

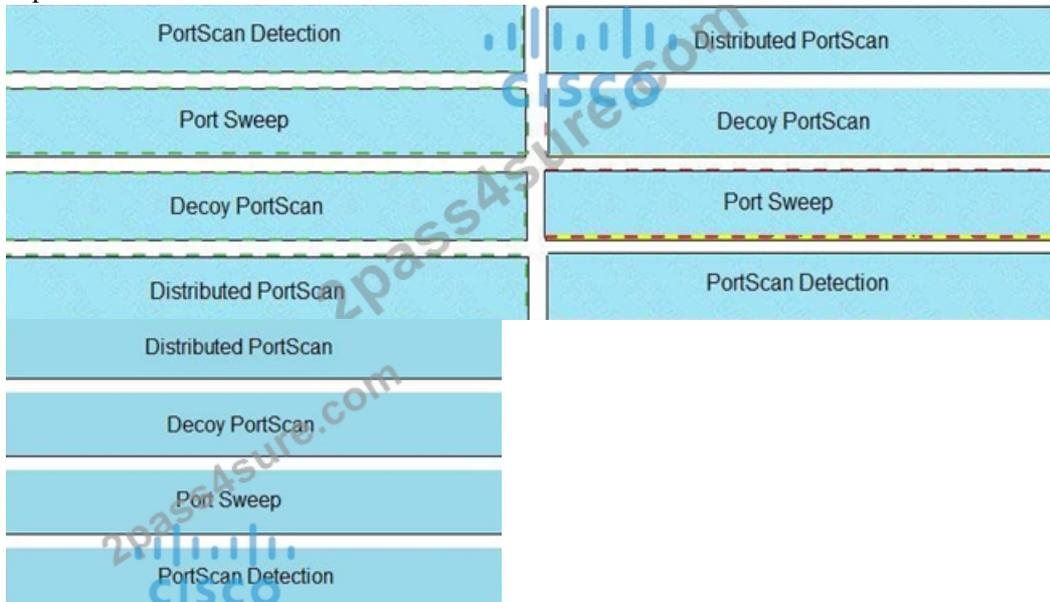

NEW QUESTION # 466

Drag and drop the Firepower Next Generation Intrusion Prevention System detectors from the left onto the correct definitions on the right.

Answer:

Explanation:

NEW QUESTION # 467

What is a characteristic of a bridge group in ASA Firewall transparent mode?"

- A. It includes multiple interfaces and access rules between interfaces are customizable
- B. It allows ARP traffic with a single access rule.
- C. It has an IP address on its BVI interface and is used for management traffic.

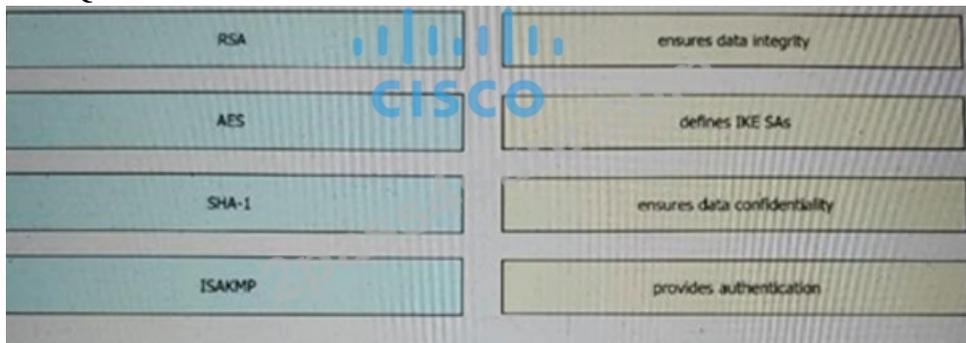

- D. It is a Layer 3 segment and includes one port and customizable access rules.

Answer: A

Explanation:

A bridge group is a group of interfaces that the ASA bridges instead of routes. Bridge groups are only supported in Transparent Firewall Mode. Like any other firewall interfaces, access control between interfaces is controlled, and all of the usual firewall checks are in place.

NEW QUESTION # 468

Answer:

Explanation:

NEW QUESTION # 469
