Testking Genesys GCX-GCD Learning Materials, Valid Test GCX-GCD Tutorial

We are equipped with excellent materials covering most of knowledge points of GCX-GCD pdf torrent. Our learning materials in PDF format are designed with GCX-GCD actual test and the current exam information. Questions and answers are available to download immediately after you purchased our GCX-GCD Dumps PDF. The free demo of pdf version can be downloaded in our exam page.

Genesys Cloud CX: Developer Certification Sample Questions (Q40-Q45):

NEW QUESTION # 40

Genesys Cloud CX is fully supported on which of the following browsers? (Choose two.)

- A. Safari
- **B. Firefox**
- C. Opera
- D. Internet Explorer
- **E. Chrome**

Answer: B,E

Explanation:

Genesys Cloud CX offers full support for the current and immediately preceding major releases of both Firefox and Chrome browsers. While Safari is supported, it has limited functionality, lacking support for features like video chat, screen sharing, and the Genesys Cloud WebRTC phone. Internet Explorer and Opera are not supported browsers for Genesys Cloud CX.

NEW QUESTION # 41

Routing is a part of customer communication that connects the customer with an appropriate automated resource or agent.

- A. False
- **B. True**

Answer: B

Explanation:

Routing in Genesys Cloud CX directs customer interactions to the most suitable automated system or human agent based on defined rules, skills, or availability, ensuring efficient and effective communication handling.

NEW QUESTION # 42

Currently, you manage all agents' schedules using a spreadsheet. This shows when each agent is working, when they are on breaks, and when they have meetings or other events that take them away from the queue. You would like to manage these in an easier and more automated way.

Which Genesys Cloud CX contact center feature can you use to replace and automate the spreadsheet schedule?

- **A. Genesys Cloud CX Workforce Management**
- B. Genesys Cloud CX Architect
- C. Genesys Cloud CX API
- D. Genesys Cloud CX Reporting and Analytics

Answer: A

Explanation:

Workforce Management in Genesys Cloud CX automates agent scheduling, including work shifts, breaks, meetings, and time off, replacing manual spreadsheet processes and improving efficiency and accuracy.

NEW QUESTION # 43

The typing notifications can be sent to the chat window using a POST with the _____.

- **A. Conversation ID + Member ID**
- B. Conversation ID + Session ID
- C. Member ID
- D. Conversation ID + Member ID + Session ID

Answer: A

Explanation:

In Genesys Cloud CX, to send typing notifications to the chat window, you use a POST request to the `/api/v2/conversations/{conversationId}/participants/{participantId}/typingendpoint`. This requires both the Conversation ID and the Participant (Member) ID to correctly identify and notify the specific participant within the conversation.

NEW QUESTION # 44

Which of the following statements are true? (Choose two.)

- **A. A 'query' endpoint is intended for users who need the most up-to-date data, and they need a response right now.**
- B. A 'query' endpoint is best suited for bulk export of data.
- C. A 'jobs' endpoint is intended for users who need the most up-to-date data, and they need a response right now.
- D. A 'jobs' endpoint is best suited for bulk export of data.

Answer: A

Explanation:

A query endpoint provides real-time access to the most up-to-date data and returns the requested information immediately. This is ideal for scenarios where the user requires immediate responses.

A jobs endpoint, on the other hand, is designed for scenarios where bulk export of data is required. It processes requests asynchronously and provides a response when the export is complete, making it suitable for larger data sets that don't require an immediate response.

NEW QUESTION # 45

.....

Are you still worried about your exam? If you do, then try the GCX-GCD exam torrent of us, we will make it easier for you to pass it successfully. GCX-GCD exam dumps of us are not only have the quality but also have certain quantity, it will be enough for you to deal with your exam. In addition GCX-GCD Online Test engine can record the process of your learning, and you can have a review of what you have learned. GCX-GCD Soft test engine stimulates the real environment of the exam, and you can know what the real exam looks like through this version.
