NEW QUESTION # 174

You are the Scrum Master of a new, to be developed product. Development is going to require 45 people. What is a good first question for you to suggest the group thinks about when forming into teams?

- A. What is the right mixture of senior and junior people on each team?
- **B. How will we make sure all teams have the right amount of expertise?**
- C. Who are the subject matter experts on each team?
- D. Who are going to be the team leads?

Answer: B

Explanation:

The correct answer is A, because a good first question for you to suggest the group thinks about when forming into teams is how will we make sure all teams have the right amount of expertise. This question helps the group consider the cross-functionality and self-organization of the Development Teams, which are essential for delivering a potentially releasable Increment every Sprint.
