Structure of MB-500

The Microsoft MB-500 test is one of the two required validations that will lead the candidates to obtain the Microsoft certification for Dynamics 365: Finance and Operations Apps Developer Associate. The other exam that candidates should take to obtain it is the Microsoft MB-300 related to Dynamics 365: Core Finance and Operations. Coming back to the structure of MB-500 test, the vendor mentions that it is a proctored exam. This means that the test-takers should register on the Pearson VUE platform and follow all steps indicated by the platform to finalize the enrollment process. It will be complete only after the candidate pays the registration fee of \$165. Besides, such an exam is available in the English language, and in the official test, applicants will have to complete 40-60 items within 180 minutes.
