NEW QUESTION # 326

Which is a purpose of the Directing a Project process?

- A. Provide sufficient information so that the current stage can be reviewed and the next Stage Plan approved
- B. Provide the information required to confirm if it is worthwhile to initiate a project
- C. Establish the level of control required by the Project Board after initiation.
- **D. Enable overall control of a project to be exercised by the Project Board**

Answer: D

Explanation:

The purpose of the Directing a Project process in PRINCE2 is to enable the Project Board to exercise overall control over the project while delegating day-to-day management of the project stages to the Project Manager. This ensures that the Project Board can make key decisions and remain accountable for the project's success while not being involved in the lower-level, day-to-day activities. NEW QUESTION # 327

Which team is defined as motivating people to achieve a project's objectives?

- **A. Leadership**
- B. Co-creation
- C. Management
- D. Quality assurance

Answer: A

Explanation:

The term 'Leadership' best describes the team role defined as motivating people to achieve a project's objectives. Leadership involves guiding, inspiring, and encouraging the project team to meet the project goals and to overcome challenges throughout the project lifecycle.
