## What Does CSSBB Test Consist of?

The ASQ CSSBB exam consists of different multiple-choice questions that evaluate the candidates' knowledge of the domains included in the test's BoK. The candidates can take the actual test in two formats. The first one is the computer-delivered method. Here, the CSSBB includes 165 questions out of which only 150 will be scored. The remaining ones should also be answered by the test-takers but they are used just for statistics, not grades. To add more, the exam delivered through this method is available in the English language only. Plus, the examinees will have 4 hours and 18 minutes to answer all items. The other delivery option is the paper and pencil version. This one requires test-takers to answer 150 questions during four hours. As a rule, the candidates can take the test in English, but they also access different locations in which the exam can be taken in Mandarin or Spanish languages. Another important aspect is that both exam versions are open-book. This means that you can use any material you consider helpful during the real test period to get the passing score from the first try. As for the registration fee, ASQ members will need to pay \$438 for the CSSBB evaluation. The non-members, on the other hand, will pay another \$100 to be able to take this test.
